HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 24, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did Respondent receive an OI of Family Independence Program (FIP) benefits that the Department is entitled to recoup?
3. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
4. Should Respondent be disqualified from receiving FAP and FIP benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 5, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP and FIP benefits issued by the Department.
4. Respondent was aware of the responsibility to report any drug-related felonies to the Department within 10 days.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the FIP fraud period is May 1, 2012 through August 31, 2012 (FIP fraud period).
7. The Department's OIG indicates that the time period it is considering the FAP fraud period is May 1, 2012 through January 31, 2015 and June 15, 2015 through December 31, 2016 (FAP fraud period).
8. During the FIP fraud period, Respondent was issued [REDACTED] in FIP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
9. During the FAP fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
10. The Department alleges that Respondent received an OI in FIP benefits in the amount of [REDACTED] and an OI in FAP benefits in the amount of [REDACTED].
11. This was Respondent's first alleged IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2016), p. 5

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP and FIP benefits, because she failed to notify the Department of her drug-related felony convictions, all of which occurred after August 22, 1996. An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203 (October 2015), p. 2.

In support of its contention that Respondent committed an IPV, the Department presented redeterminations submitted by Respondent on March 29, 2012 and April 29, 2013. In the redeterminations, Respondent stated she had not been convicted of a drug-related felony and did not answer the question asking if she had been convicted more than once. The Department also presented an application submitted by Respondent June 15, 2015 and a redetermination submitted April 25, 2016. In the application and redetermination, Respondent stated she had not been convicted of a drug-related felony, nor had she been convicted more than once.

Additionally, the Department presented documentation which showed that Respondent had been convicted of drug-related felonies on October 2, 2000; August 5, 2005; and November 15, 2005. Given that the application and redeterminations were submitted after the convictions occurred, the Department has established by clear and convincing evidence that Respondent intentionally withheld or misrepresented information for the purpose of maintaining FAP and FIP benefits. Therefore, Respondent committed an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (October 2016), p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP and FIP benefits. Accordingly, Respondent is subject to a 12-month disqualification under the FAP and FIP programs, as it is her first IPV related to FAP and FIP.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. In this case, the Department is seeking recoupment of FAP benefits as it alleges that Respondent received more benefits than she was entitled.

The Department presented Respondent's Benefit Issuance Summary which showed Respondent was issued ██████ in FAP benefits during the FAP fraud period and ██████ in FIP benefits during the FIP fraud period. The Department submitted budgets which revealed that Respondent would have been entitled to ██████ in FAP benefits and ██████ in FIP benefits. Accordingly, the Department has established that an overissuance occurred in the amount of ██████ in FAP benefits and ██████ in FIP benefits. Therefore, the Department is entitled to recoup that amount for FAP and FIP benefits it issued to Respondent during the fraud period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP program benefits in the amount of ██████.
3. Respondent did receive an OI of FIP program benefits in the amount of ██████.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED], less any amounts already recouped/collected, in accordance with Department policy.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED], less any amounts already recouped/collected, in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP and FIP for a period of 12 months.
