ADMINISTRATIVE LAW JUDGE: Amanda M. T. Marler

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 10, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for the FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 6, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to truthfully and accurately answer all questions on Applications for benefits.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is June 2016 through November 2017 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2017), pp. 5, 12-13; ASM 165 (August 2016).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), pp. 7-8; BAM 720, p.1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of the FAP because he misrepresented his circumstances by failing to disclose that he had two or more drug-related felony convictions each occurring after August 22, 1996. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (April 2016), p. 9. People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (October 2015), p. 1. Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated, and the qualifying conviction occurred after August 22, 1996, or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2. The offense must be classified as a felony by the law of the State and have as an element the possession, use or distribution (which is defined as actual, constructive, or attempted delivery) of a controlled substance. 21 USC 862a(a); 21 USC 802(8) and (11). The disqualification does not apply if the conviction is for conduct occurring on or before August 22, 1996. 21 USC 862a(d)(2).

The Department presented an Internet Criminal History Access Tool (ICHAT) Report showing two felony drug convictions for Respondent each occurring after August 22, 1996. However, the ICHAT report also indicates on the first page in bold:

THE RECORD RESULTS PROVIDED HERE ARE BASED ON A COMPUTER MATCH AS EXPLAINED ON THE ICHAT HOME PAGE. THE ICHAT SYSTEM HAS LIMITATIONS THAT MAY CAUSE FALSE POSITIVES OR FALSE NEGATIVES. PLEASE REVIEW THE RESULTS CAREFULLY AND DO NOT TAKE ADVERSE ACTION BASED SOLELY ON THIS RECORD...

The Department presented no other evidence to support the two alleged convictions from 2010 and 2012. While the cited statutory grounds for each conviction listed in the ICHAT report would suggest two felony drug convictions, the language at the top of the ICHAT report clearly states not to take any “adverse action based solely on this record” for fear of false positives. Since the Department provided no other evidence of the alleged convictions, the Department did not sufficiently establish that Respondent had two felony drug convictions each occurring after August 22, 1996.

Without additional proof of the felony drug convictions, the Department has not met its burden of proof by clear and convincing evidence that the Respondent has committed an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV

cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has **not** satisfied its burden of proof in showing that the Respondent committed an IPV. Therefore, Respondent is **not** subject to a one-year disqualification from receipt of FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

In this case, the Department alleged that Respondent was over issued FAP benefits in the amount of \$ [REDACTED]. The Department did not meet its burden of proof in establishing that Respondent had two felony drug convictions. As mentioned above, in order to be held ineligible for benefits, an individual must have at least two felony drug convictions. The Department has not shown that the Respondent was not entitled to receive benefits or that he received an OI of FAP benefits. Therefore, the Department cannot collect or recoup any alleged OI from the Respondent.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did not** receive an OI of program benefits in the amount of \$ [REDACTED] from the FAP.

The Department is ORDERED to delete the OI and cease any recoupment action.

It is FURTHER ORDERED that Respondent is **not** subject to a period of disqualification from the FAP.
