Agency No.: [REDACTED]  
Petitioner: OIG  
Respondent: [REDACTED]

**ADMINISTRATIVE LAW JUDGE:** Jeffrey Kemm

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on May 30, 2018, from Lansing, Michigan. The Department was represented by Philip Giuliani, Regulation Agent of the Office of Inspector General (OIG). The Respondent did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent applied for FAP benefits, and the Department found Respondent eligible for FAP benefits.
2. The Department sent Respondent a brochure titled How to Use Your Bridge Card.

3. The How to Use Your Bridge Card brochure advised Respondent that misuse of food benefits is a violation of law, including allowing a retailer to buy FAP benefits in exchange for cash.
4. Respondent did not have any apparent physical or mental impairment that would limit her understanding or ability to fulfill her responsibilities to the Department.
5. From January of 2014 through April of 2016, Respondent used her FAP benefits at [REDACTED].
6. Respondent had multiple EBT transactions at [REDACTED] in a single day, and Respondent had many EBT transactions at [REDACTED] ending in .7, .13, .25, .27, .75, .99, and .00.
7. [REDACTED] is a [REDACTED] located in an urban residential area.
8. As of December 18, 2015, [REDACTED] had approximately 1,500 square feet of space, no shopping carts or baskets, limited food inventory, non-food household supply inventory, liquor inventory, tobacco inventory, gasoline, one cash register, and a turn-style carousel required to complete transactions.
9. The United States Food and Nutrition Service (FNS) conducted an investigation of [REDACTED].
10. The FNS examined EBT transaction records for [REDACTED] and found that [REDACTED] had transactions indicative of trafficking because there were multiple transactions from the same individual benefit accounts in unusually short time frames and excessively large purchase transactions were made from recipient accounts.
11. FNS determined that EBT transactions of \$ [REDACTED] or more at [REDACTED] were excessive given the size of the store and its eligible inventory.
12. On March 17, 2016, the FNS notified [REDACTED] that it suspected the business of FAP trafficking and that it was charging the business with trafficking pursuant to 7 CFR 271.2.
13. On April 21, 2016, the FNS notified [REDACTED] that FNS had concluded that [REDACTED] engaged in trafficking and that it was permanently disqualified from participating in the Supplemental Nutrition Assistance Program (SNAP).
14. The Department conducted an investigation of Respondent's EBT transactions at [REDACTED].
15. The Department determined that Respondent trafficked FAP benefits at HN Enterprises from January 13, 2014, through April 18, 2016.

16. On September 28, 2017, the Department's OIG filed a hearing request to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
17. A notice of hearing was mailed to Respondent at her last known address and it was not returned by the United States Postal Service as undeliverable.
18. The OIG requested Respondent be disqualified from receiving program benefits for 12 months for a first IPV.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

#### **Intentional Program Violation**

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720 (July 1, 2013), p. 1.

Trafficking is:

- The buying or selling of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances.
- Selling products purchased with FAP benefits for cash or consideration other than eligible food.
- Purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits.

BAM 700 (July 1, 2013), p. 2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. BAM 720, p. 1; see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re*

*Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, I find that the Department has not met its burden. The Department did not present sufficient evidence to establish by clear and convincing evidence that Respondent engaged in FAP trafficking at [REDACTED]. The Department established that FNS determined that [REDACTED] was engaged in FAP trafficking and that Respondent completed multiple EBT transactions there, but the Department did not establish that any of Respondent's EBT transactions at [REDACTED] exceeded the FNS trafficking threshold. The Department did not present sufficient evidence to establish that Respondent's EBT transactions at [REDACTED] were otherwise indicative of trafficking.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 16. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department did not establish that Respondent committed an IPV. Thus, Respondent is not subject to a disqualification.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The OI amount for trafficking-related IPV is the value of the trafficked benefits (attempted or actually trafficked) as determined by: (1) a court decision; (2) the individual's admission; or (3) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. BAM 720, p. 8. This can be established through circumstantial evidence. BAM 720, p. 8.

In this case, the Department did not establish that Respondent was overissued benefits because the Department did not establish that Respondent trafficked benefits as alleged by the Department.

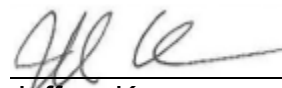

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.

IT IS ORDERED THAT Respondent shall not be disqualified from receiving FAP benefits for trafficking FAP benefits at [REDACTED].
