**ADMINISTRATIVE LAW JUDGE:** Jeffrey Kemm

### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42, and 45, of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 17, 2018, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear; the hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

### **ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED], Respondent was disqualified for 12 months for an IPV related to FAP benefits.

2. On [REDACTED], Respondent applied for FAP benefits and reported that he did not have any income.
3. On [REDACTED], the Department advised Respondent that he was responsible for reporting changes in his circumstances which could affect his eligibility for benefits (including changes in income and employment) within 10 days of the date of the change(s).
4. On [REDACTED], the Department provided Respondent with a form to report such changes in circumstances to the Department.
5. Respondent did not have any apparent physical or mental impairment that would limit his understanding or ability to fulfill his reporting requirement.
6. The Department paid FAP benefits to Respondent in the amount of \$ [REDACTED] per month, for the months of [REDACTED], through [REDACTED].
7. Respondent did not report any changes in his income or employment while he was receiving FAP benefits during this time period.
8. In [REDACTED], the Department completed a wage match and discovered that Respondent had unreported income while he was receiving FAP benefits.
9. The Department discovered that Respondent had income from [REDACTED] [REDACTED] during the fourth quarter of [REDACTED] and the first quarter of [REDACTED].
10. On [REDACTED], the Department sent a wage match notice to Respondent with instructions to provide wage verification information.
11. Respondent did not provide the Department with the wage verification information.
12. The Department determined that Respondent was issued \$ [REDACTED] in FAP benefits, but he was actually only entitled to receive \$ [REDACTED] in FAP benefits because he had unreported income.
13. On [REDACTED], the Department's OIG filed a hearing request to establish an OI of benefits received by Respondent, as a result of Respondent having allegedly committed an IPV.
14. A notice of hearing was mailed to Respondent at his last known address and it was not returned by the United States Postal Services as undeliverable.
15. The OIG requested Respondent be disqualified from receiving program benefits for 24 months for a second IPV.

## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 720, p. 1.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or

- the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
- the alleged fraud is committed by a state/government employee.

BAM 720 (January 1, 2018), p. 12-13

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, I find that the Department has met its burden. Respondent was required to report changes in his circumstances to the Department within 10 days of receiving the first payment reflecting the change. BAM 105 (January 1, 2018), p. 12. The Department established that Respondent knew, or should have known, that he was required to report changes to his income and employment to the Department within 10 days. The Department established that Respondent started earning income in the fourth quarter of [REDACTED] while he was receiving FAP benefits, and that Respondent failed to report his change in income to the Department within 10 days. The Department established that Respondent did not have any apparent physical or mental impairment that would limit his understanding or ability to fulfill his reporting requirement.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 16. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, Respondent was previously found to have committed one IPV related to FAP benefits. Thus, this is Respondent's second IPV related to FAP benefits. Therefore, Respondent is subject to a two-year disqualification.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700 (January 1, 2018), p. 1. In this case, the Department established that Respondent received more FAP benefits than he was entitled to receive. The Department issued Respondent \$ [REDACTED] in FAP benefits when

Respondent was actually only entitled to receive \$ [REDACTED] Thus, Respondent received an OI of \$ [REDACTED]

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$ [REDACTED]

IT IS ORDERED THAT the Department may initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent shall be disqualified from FAP benefits for a period of 24 months.
