**ADMINISTRATIVE LAW JUDGE: Ellen McLemore**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 24, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on November 14, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
4. The Department's OIG indicates that the time period it is considering the fraud period is January 1, 2016 through March 31, 2016 (fraud period).
5. During the fraud period, the Department alleges that Respondent was not entitled to receive [REDACTED] in FAP benefits.
6. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
7. This was Respondent's first alleged IPV.
8. A notice of hearing was mailed to Respondent at the last known address and was returned by the United States Postal Services as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2016), pp. 12-13

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV by purchasing food with his deceased girlfriend's FAP benefits. Trafficking is (i) the buying, selling or stealing of FAP benefits for cash or consideration other than eligible food; (ii) selling products purchased with FAP benefits for cash or consideration other than eligible food; and (iii) purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits. BAM 700 (May 2014), p. 2; see also Department of Human Services, Bridges Policy Glossary (BPG) (July 2015), p. 66. Trafficking also includes (i) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices, or (ii) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203 (July 2015), p. 3. The federal regulations define trafficking to include "The buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone." 7 CFR 271.2.

The Department testified that family members of a FAP recipient by the name of [REDACTED] [REDACTED] contacted the Department to provide notification of her death. The individual that testified on behalf of the Department stated he retrieved [REDACTED] death certificate and confirmed that her death occurred on November 29, 2015.

The Department presented [REDACTED] FAP transaction history which shows her benefits continued to be used after her death until March 12, 2016. The Department also presented an application completed by [REDACTED] on May 25, 2015. In the application, [REDACTED] did not list any household members or authorized representatives.

The Department subpoenaed surveillance footage from Meijer associated with the transactions on [REDACTED] FAP benefit account that occurred on May 5, 2016 and May 10, 2016. The Department presented still photographs from the surveillance videos showing a male individual utilizing [REDACTED] FAP benefits. The Department stated that [REDACTED] mother and brother were asked if they recognized the individual. Both [REDACTED] mother and brother positively identified the individual as Respondent, [REDACTED] living together partner. The Department presented Respondent's Michigan State Police profile which contains an image of Respondent. The Department alleged that the individual in the surveillance photographs matches Respondent's Michigan State Police picture.

The Department presented clear and convincing evidence that Respondent was the individual using [REDACTED] FAP benefits. It is evident that Respondent did not have authorization to utilize the FAP benefits from the account holder, nor was he purchasing food on her behalf, as [REDACTED] was deceased. Respondent's unlawful appropriation of [REDACTED] FAP benefits is evidence that Respondent committed an IPV. Thus, the Department provided clear and convincing evidence that Respondent trafficked FAP benefits and committed an IPV.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

As discussed above, the Department has established by clear and convincing evidence that Respondent committed an IPV. Because this is Respondent's first IPV, Respondent is subject to a one-year disqualification from the receipt of FAP benefits.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The OI amount for a trafficking-related IPV is the value of the trafficked benefits as determined by (i) a court decision, (ii) the individual's admission, or (iii) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store, which can be established through circumstantial evidence. BAM 720, p. 8.

The Department identified all of the transactions during the fraud period that occurred on ██████████ FAP benefit account. The Department testified those transactions totaled ██████████. However, based on that figure, it is apparent that the Department also included a transaction that occurred on December 21, 2015, which was outside the fraud period. Although the transaction occurred outside the fraud period, it was after the date of ██████████ death, and therefore, was unlawful. As such the Department is entitled to recoup and/or collect ██████████ for FAP benefits trafficked by Respondent.

## **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent did receive an OI of program benefits in the amount of [REDACTED] from the FAP program.

The Department is ORDERED to initiate recoupment and/or collection procedures in accordance with Department policy for a FAP OI amount of [REDACTED], less any amount already recouped and/or collected.

It is FURTHER ORDERED that the Department personally disqualify Respondent from FAP for a period of 12 months.
