HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 21, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on April 6, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving FAP benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility not to engage in the trafficking of FAP benefits.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is February 21, 2017 through April 16, 2017 (fraud period).
7. The Department alleges that Respondent engaged in the trafficking of FAP benefits in the amount of [REDACTED].
8. This was Respondent's first alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp.12-13;

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Additionally, Electronic Benefit Transfer (EBT) allows clients who receive cash (FIP, SDA etc.), and food (FAP) to receive their benefits using debit card technology. Benefits are deposited electronically into a cash and/or food account. Clients access their benefits by using their personal identification number (PIN), along with their Bridge card. BAM 401E (July 2014), p. 1.

Further, a person is disqualified from FAP when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked or attempted to have been trafficked. These FAP trafficking disqualifications are a result of the following actions:

- Fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or
- Redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203 (October 2015), p. 3.

In this case, the Department provided a copy of Respondent's transaction history which revealed that on or about February 21, 2017, Respondent received slightly more than ██████ in FAP benefits as a result of a settlement. The Department provided a copy of a receipt to show that on February 21, 2017, Respondent's FAP benefits were used at a local Sam's Club in the amount of ██████. However, Respondent was not present at the time of the purchase. The Department provided a portion of Respondent's case file which revealed that he did not have an authorized representative and that because he did not, no one else was authorized to use his FAP benefits.

The Department also provided evidence to show that also on February 21, 2017, Respondent's FAP benefits were used at ██████. However, the Department failed to provide any evidence that Respondent did not personally use his FAP benefits at ██████ on February 21, 2017.

The evidence presented at the hearing demonstrated that a purchase was made on February 21, 2017 at a local ██████ by someone other than Respondent. Respondent failed to appear at the hearing and therefore failed to provide an explanation as to how someone else gained access to his EBT card given that the Department testified that the card had not been reported lost or stolen. Accordingly, it is found that the Department has established that Respondent engaged in the trafficking of FAP benefits as a result of fraudulently transferring his EBT card to an unauthorized individual.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720 (January 2016), p. 15. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a 12-month disqualification under the FAP program.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. Further, the OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

- The court decision.
- The individual's admission.
- Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence. BAM 720, p. 8.

In this case, the Department established that Respondent fraudulently transferred his FAP benefits used at ██████████ in the amount of ██████████ but failed to show that he fraudulently transferred his FAP benefits that were used at ██████████ on February 21, 2017 in the amount of ██████████. Therefore, the Department has established that it is entitled to recoup ██████████ in FAP benefits.

DECISION AND ORDER

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent did commit an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of ██████████.

The Department is ORDERED to initiate recoupment procedures for the amount of ██████████ in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
