### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department or DHHS), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on June 12, 2018, from Lansing, Michigan. The Department was represented by Stephanie Picca, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

Department's Exhibits pages 1-81 were admitted as evidence.

### **ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent receive a disqualification from the Food Assistance Program?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on January 9, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report convictions for drug felonies.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is September 1, 2016, through February 28, 2017 (fraud period).
7. Rights and Responsibilities in accordance with BAM 105 were acknowledged when Respondent applied for FAP benefits April 30, 2016.
8. During the fraud period, Respondent was issued \$2,008.00.00 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
9. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$2,008.00.
10. This was Respondent's third alleged IPV.
11. Respondent has a prior intentional program violation for FAP on June 1, 2009, through May 31, 2010; and July 1, 2015, through June 30, 2017.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
  - the total amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016)(Emphasis added).

#### Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill

reporting responsibilities. BAM 700, p 7 (1/1/2016); BAM 720, p 1 (1/1/2016).

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720; see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Respondent acknowledged an understanding of her reporting obligations per online application dated April 30, 2016. Notice of case action dated May 20, 2016, informed Respondent of her obligation to report if her household's income exceeded the simplified reporting limit of \$3,078.00. Verification from Christ Centered Homes finds Respondent's income exceeded this amount in July of 2016. This change was not reported to DHHS. Respondent also provided fraudulent information on semi-annual dated September 14, 2016, by reporting in Section 4 that her household's income had not exceeded the questioned amount. Due to failing to report this increased income to DHHS as required, subject was over issued \$2,008.00 in FAP benefits during the alleged fraud period of September 1, 2016, through February 28, 2017. This is subject's third alleged FAP IPV.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 2. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p 1 (4/1/2016). A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 16.

This was Respondent's third instance of an IPV. Therefore, a lifetime disqualification is required.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p 1 (1/1/2016).

Respondent acknowledged an understanding of her reporting obligations per online application dated 4/30/16. Notice of case action dated 5/20/16 informed subject of her obligation to report if her household's income exceeded the simplified reporting limit of

\$3,078.00. Verification from Christ Centered Homes finds subject's income exceeded this amount in July of 2016. This change was not reported to DHHS. Subject also provided fraudulent information on semi-annual dated September 14, 2016, by reporting in Section 4 that her household's income had not exceeded the questioned amount. Due to failing to report this increased income to DHHS as required, subject was over issued \$2,008.00 in FAP benefits during the alleged fraud period of September 1, 2016, through February 28, 2017. This is subject's third alleged FAP IPV.

### **DECISION AND ORDER**

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$2,008.00.

The Department is ORDERED to initiate recoupment procedures for the amount of \$2,008.00 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving FAP benefits for the requested **LIFETIME** beginning June 12, 2018, in accordance with Department policy.
