**ADMINISTRATIVE LAW JUDGE: Amanda M. T. Marler**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 12, 2018, from Detroit, Michigan. The Department was represented by Debra Echtenaw, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for the FAP?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 28, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to truthfully and accurately answer all questions on the applications or redeterminations for benefits.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is October 2014 through September 2015 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Service as undeliverable.

### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2017), pp. 5, 12-13; ASM 165 (August 2016).

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2018), p. 8; BAM 720, p.1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and

convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of the FAP because she misrepresented household circumstances by failing to disclose that her live-in-partner [REDACTED] (LIP) had two or more drug-related felony convictions, each occurring after August 22, 1996. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (October 2014), p. 7. People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (July 2014), p. 1. Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated, and the qualifying conviction occurred after August 22, 1996, or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2. The offense must be classified as a felony by the law of the State and have as an element the possession, use or distribution (which is defined as actual, constructive, or attempted delivery) of a controlled substance. 21 USC 862a(a); 21 USC 802(8) and (11). The disqualification does not apply if the conviction is for conduct occurring on or before August 22, 1996. 21 USC 862a(d)(2).

The Department presented documentation including two Judgments of Sentence from the Muskegon County Circuit Court detailing Respondent's LIP's criminal history. According to the records provided, Respondent's LIP had three drug-related felony convictions after August 22, 1996. His first conviction was on [REDACTED] 2004, for Controlled Substance-delivery of a schedule 1 or schedule 2 drug less than 50 grams. In the second case, the Respondent's LIP was convicted of the same offense on [REDACTED] 2007. In the third case, he was convicted of Controlled Substance-possession of a schedule 1 or schedule 2 drug in an amount less than 25 grams and Controlled Substance-possession of a non-narcotic on [REDACTED] 2012. The cited statutory grounds for each set of convictions in the documents presented establish that Respondent's LIP had three felony drug convictions. Each conviction has possession, use, or distribution of a controlled substance as an element.

In support of its contention that Respondent committed an IPV, the Department presented two Applications and one Redetermination signed and submitted by the Respondent on October 1, 2014; December 2, 2014; and September 10, 2015, on which Respondent indicated that LIP did not have any felony drug convictions. The Applications and Redetermination clearly instructed Respondent to provide true and complete information, as well as the penalties for failing to do so. However, all three convictions occurred well before LIP moved into the home of Respondent sometime around September of 2014. The Department presented no evidence that Respondent actually knew about the convictions. In fact, Respondent told the Department that her relationship with LIP was not necessarily a good relationship. The Department points out that if she was uncertain of LIP's status then she should have at least indicated her uncertainty during the interview with her case worker in October 2014, but she did not. Respondent's indication that she did not know of any felony drug convictions for LIP is

not sufficient to establish that she was intentionally misrepresenting the circumstances. It simply means she was not aware of any felony drug convictions when asked. Under these circumstances, the Department has not established by clear and convincing evidence that Respondent committed an IPV of the FAP.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has not satisfied its burden of showing that Respondent committed an IPV. Therefore, Respondent is not subject to a one-year disqualification under the FAP.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

In this case, the Department alleged that Respondent was issued FAP benefits in the amount of \$ [REDACTED] from October 2014 through September 2015, and that due to her LIP's drug-related felony convictions, she was eligible for a FAP benefit less than what she actually received during this period. A review of the Respondent's Benefit Summary Inquiry presented by the Department supports benefits issued in the amount alleged. (Exhibit A, pp. 109-112.)

As discussed above, Respondent's LIP was ineligible for FAP benefits as he was subject to a permanent disqualification from the FAP. Since there were multiple members of the FAP group, the Department presented OI budgets. In each budget, the only item that was supposed to have been changed by the Department was a reduction in the group size by one person. In reviewing the budgets, the Department properly calculated the corrected benefit amount and OI for each month. Therefore, the Department is entitled to recoup \$ [REDACTED] from Respondent, which is the difference between the amount of FAP benefits actually issued to her and the amount she was eligible to receive during the fraud period.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **received** an OI of program benefits in the amount of \$ [REDACTED] from the FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent **is not** subject to a period of disqualification from the FAP.
