HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on June 19, 2018, from Lansing, Michigan. The Department was represented by Thomas Malik, Regulation Agent of the Office of Inspector General (OIG). Respondent represented himself.

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated October 7, 2015, Respondent acknowledged his duties and responsibilities including the duty to report the drug-related felony convictions of group members. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 11-38.

2. Respondent acknowledged under penalties of perjury that his October 7, 2015, application form was examined by or read to him, and, to the best of his knowledge, contained facts that were true and complete. Exhibit A, p 21.
3. Respondent reported on his October 7, 2015, application for assistance that he had been convicted of one felony offense involving controlled substances but denied having more than one conviction. Exhibit A, p 15.
4. Respondent failed to report to the Department that on January 9, 2009, he had pled guilty to Delivery/Manufacture of Synthetic Marijuana for a November 27, 2008, offense. Exhibit A, p 42.
5. Respondent failed to report to the Department that on September 25, 2015, he had been convicted of Possession of a Controlled Substance Less Than 25 Grams for a July 13, 2015, offense. Exhibit A, p 44.
6. Respondent received Food Assistance Program (FAP) benefits totaling \$2,290 from October 7, 2015, through September 30, 2016. Exhibit A, p 48.
7. On March 19, 2018, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$2,290 overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 6-9.
8. The Department's OIG filed a hearing request on March 19, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
9. This was Respondent's first established IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp Program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Overissuance

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (January 1, 2018), p 1.

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both convictions were for conduct which occurred after August 22, 1996. Department of Health and Human Services Bridges Eligibility Manual (BEM) 203 (May 1, 2018), p 2.

On an application for assistance dated October 7, 2015, Respondent acknowledged his duties and responsibilities including his duty to report any convictions for felony offenses involving controlled substances where the offenses occurred after August 22, 1996. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent acknowledged under penalties of perjury that his October 7, 2015, form was examined by or read to him, and, to the best of his knowledge, contained facts that were true and complete. Respondent reported on his October 7, 2015, application for assistance that he had been convicted

of one felony offense involving controlled substances but denied having more than one conviction.

Respondent failed to report to the Department that he had been convicted of two felony offenses involving controlled substances, with each offense occurring after August 22, 1996.

Respondent received FAP benefits totaling \$2,290 from October 7, 2015, through September 30, 2016. If Respondent had truthfully reported his history of convictions for conduct involving controlled substances where the offense occurred after August 22, 1996, then the Department would have permanently disqualified him from FAP. If Respondent had been permanently disqualified from FAP then he would not have been eligible for any of the FAP benefits he received. Therefore, Respondent received a \$2,290 overissuance of FAP benefits.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding the reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits the understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be

uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

On an application for assistance dated October 7, 2015, Respondent acknowledged his duties and responsibilities including his duty to report any convictions for offenses involving controlled substances where the offenses occurred after August 22, 1996. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent acknowledged under penalties of perjury that his October 7, 2015, application form was examined by or read to him, and, to the best of his knowledge, contained facts that were true and complete. Respondent falsely reported that he had only been convicted of one felony involving a controlled substance, which resulted in an overissuance of FAP benefits.

Respondent argued that he had reported his felony convictions involving controlled substances to his caseworker when he applied for FAP benefits. Respondent failed to present any evidence that he reported having more than one felony conviction involving controlled substances while indicating only one conviction on his application for assistance.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that Respondent intentionally failed to report having two or more convictions for conduct involving controlled substances where the offenses occurred after August 22, 1996, for the purposes of becoming eligible for FAP benefits that he would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, pp 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p 16.

The record evidence indicates that this is Respondent's first established IPV.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$2,290.
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$2,290 in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
