CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, was established by 2004 PA 344. The Department administers the SDA program pursuant to 42 CFR 435, MCL 400.10 *et seq.* and Mich Admin Code, Rules 400.3151 – 400.3180. A person is considered disabled for SDA purposes if the person has a physical or mental impairment which meets federal Supplemental Security Income (SSI) disability standards for at least ninety days. Receipt of SSI benefits based on disability or blindness, or the receipt of MA benefits based on disability or blindness, automatically qualifies an individual as disabled for purposes of the SDA program.

For the SDA program, the Department’s Program Eligibility Manual contains the following policy statements and instructions for caseworkers regarding the State

Disability Assistance program: to receive State Disability Assistance, a person must be disabled, caring for a disabled person or age 65 or older. BEM, Item 261, p. 1.

As to the disability assessment, the State of Michigan follows the general guidelines with regards to the MA program to show SDA statutory disability with one major exception: duration for the SDA program is due to a disability which has lasted or can be expected to last for a continuous period of not less than 90 days.

Prior to any substantive review, jurisdiction must be established. Under BEM 261, the Respondent is required to follow the MA policy regarding disability. BAM 260 is the MA disability policy which states in part that the SSA's determination that disability does not exist for SSI is final for MA with certain exceptions not applicable herein. This policy is further supported by BAM 815 which BEM 261 refers to in processing SDA applications for disability. BAM 815 additionally states that for SSA determinations, "SSA's final determination that a client is not disabled supersedes DDS's certification." BAM 815, p. 2 of 11.

The facts here indicated that on December 12, 2017 Petitioner received a final determination by the SSA appeals council regarding her SSI application. The State of Michigan is required to follow federal law and state policy, which indicates that unless certain exceptions are met, none here, the SSA decision is binding on the state agency and there is no jurisdiction to proceed with a substantive review. As such, Petitioner's hearing request must be dismissed.

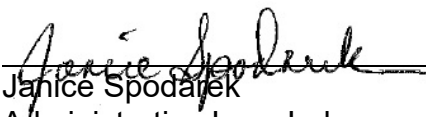

In the alternative, the MRT denial is adopted and incorporated by reference herein finding Petitioner not disabled.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds Petitioner not eligible for the SDA benefit program.

DECISION AND ORDER

Accordingly, the Department's determination finding Petitioner not eligible for SDA is AFFIRMED.
