HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 3, 2018, from Lansing, Michigan. Respondent personally appeared and testified.

The Department was represented by Craig Baylis, Regulation Agent of the Office of Inspector General (OIG). Mr. Baylis testified on behalf of the Department. The Department submitted 26 exhibits which were admitted into evidence. The record was closed at the conclusion of the hearing.

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
2. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on January 18, 2018, to establish an Intentional Program Violation committed by Respondent. [Dept. Exh. 1].

2. The OIG has requested that Respondent be disqualified from receiving FAP benefits for 12 months. [Dept. Exh. 4-5].
3. Respondent was a recipient of FAP benefits issued by the Department. [Dept. Exh. 4-5].
4. Respondent was aware of the responsibility to not traffic FAP benefits indicated by his signature on his FAP application dated [REDACTED], 2016. [Dept. Exh. 14-16].
5. On February 18, 2017, Respondent posted on his "[REDACTED]" Facebook account, "Got 2000 dollars n food stamps for sale who need them no bullshit". Respondent received numerous responses. [Dept. Exh. 10].
6. On May 21, 2017, Respondent posted, "Who need some lean n food stamps." [Dept. Exh. 10].
7. On July 9, 2017, Respondent posted "Who need some food stamps inbox me." [Dept. Exh. 10].
8. On [REDACTED] Social Media Page, Respondent posted two selfies and his birthday as November 6. He also posted his telephone number as [REDACTED]. [Dept. Exh. 11].
9. A review of Bridges case phone numbers was conducted, and the number came back to Respondent's application and case. A review of Respondent's case identified his date of birth as "November 6." Images from Facebook and Respondent's State of Michigan ID card were compared for a positive identification. [Resp. Exh. 4].
10. Respondent credibly testified that he made the Facebook posts for a friend who had just gotten out of jail. [Testimony of Paul McCurdy, 7/3/2018].
11. This was Respondent's first alleged IPV. [Dept. Exh. 1, 4].

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2017, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (10/1/2017).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 720, p 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p 1. An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Trafficking is defined as attempting to buy, sell, steal, or otherwise affect an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. BAM 700, p 2 (1/1/2018).

An individual who offers to sell their benefits by either making their offer in a public way or posting their EBT card for sale online has committed an IPV. 7 CFR 274.7(b) of the Food Stamp Act. Posting your EBT card for sale or conversely soliciting the purchase of an EBT card online is a violation resulting in an IPV. 7 CFR 274.7(a).

In addition, a person who knowingly uses, transfers, acquires, alters, purchases, possesses, presents for redemption or transports food stamps or coupons or access devices other than as authorized by the Food Stamp Act of 1977, is guilty of the crime of Food Assistance Program (FAP) trafficking. MCL 750.300(a).

In this case, Respondent attempted to sell FAP benefits by offering to sell food stamps on Facebook. Respondent made three posts in an attempt to sell FAP benefits on February 18, 2017; May 21, 2017 and July 9, 2017. Respondent received numerous responses. Respondent was identified by the OIG by the “selfies” posted on Facebook that matched Respondent’s State of Michigan ID card. Furthermore, Respondent admitted to making the posts on Facebook. Therefore, Respondent committed an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 16.

In this case, Respondent attempted to traffic FAP benefits. This was Respondent’s first IPV; therefore, a 12-month disqualification is required.

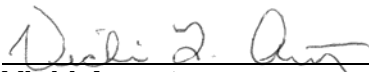

DECISION AND ORDER

This Administrative Law Judge finds, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.

It is ORDERED that Respondent be disqualified from FAP benefits for a period of 12 months.
