HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on September 11, 2018, from Lansing, Michigan. The Department was represented by Jenna McClellan, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On May 7, 2017, Respondent published a response on the internet to an offer to purchase \$150 from an "orange visa," a known slang term used to describe Food Assistance Program (FAP) benefits, from another person. Exhibit A, p 12.

2. On January 11, 2015, Respondent published a solicitation for offers to purchase his last 60 stamps, meaning that he was seeking offers to purchase \$60 of Food Assistance Program (FAP) benefits. Exhibit A, p 13.
3. Respondent was identified as the person publishing offers to sell Food Assistance Program (FAP) benefits from photographs of his paycheck stubs published on the internet, and a copy of a Motion to Order For Discharge From Probation for himself. Exhibit A, pp 17-18.
4. Respondent was also identified from his mug shot photograph, which he published on social media. Exhibit A, pp 19-20.
5. Payroll records reported to the Michigan Unemployment Insurance Agency are consistent with the paycheck stubs Respondent published on the internet. Exhibit A, p 23.
6. The Department's OIG filed a hearing request on May 24, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
7. On May 24, 2018, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$210 overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 6-9.
8. This was Respondent's first established IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (January 1, 2018), p 1.

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

Federal regulations provide the following definition of intentional program violations:

Definition of intentional Program violation. Intentional Program violations shall consist of having intentionally:

- (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or
- (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards. 7 CFR 273.16(c).

On May 7, 2017, Respondent published a response on the internet to an offer to purchase \$150 from an “orange visa,” a known slang term used to describe FAP benefits, from another person. On January 11, 2015, Respondent published a solicitation for offers to purchase his “last sixty stamps” meaning that he was seeking offers to purchase \$60 of FAP benefits.

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Trafficking includes the buying, selling or stealing or otherwise effecting an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. Trafficking also includes attempting to buy, sell, steal, or otherwise affect an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. BAM 700, p 2.

FAP trafficking is a fraudulent transfer of benefits that must be established by clear and convincing evidence and must never be presumed. Fraud may be established by circumstantial evidence and can be inferred from the evidence with facts which are inconsistent with an honest person. See *Foodland Distributors v Al-Naimi*, 220 Mich App 453 (1996), p 381.

This Administrative Law Judge finds that the Department established by clear and convincing evidence that Respondent intentionally sold or attempted to sell FAP benefits in a manner other than authorized by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a, and that fits the Department’s definition of benefit trafficking in Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 1-22. Respondent sold or attempted to sell \$150 of FAP benefits on May 7, 2017, and \$60 on January 11, 2015. Selling or attempting to sell FAP benefits creates an overissuance in the amount of the benefits that were trafficked.

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$210.
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$210 in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
