## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a

and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

# **Intentional Program Violation**

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720 (January 1, 2016), p. 1.

# Trafficking is:

- The buying, selling or stealing of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances.
- Selling products purchased with FAP benefits for cash or consideration other than eligible food.
- Purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits.
- Attempting to buy, sell or steal FAP benefits for cash or consideration other than eligible food.

BAM 700 (October 1, 2016), p. 2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. BAM 720, p. 1; see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, I find that the Department has met its burden. The Department presented sufficient evidence to establish that Respondent and the Facebook user known as "were one and the same individual. Respondent made two posts on Facebook through in an attempt to purchase FAP benefits. Attempting to purchase FAP benefits is trafficking.

### Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV,

two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a one-year disqualification.

## **Overissuance**

An overissuance is the amount of FAP benefits trafficked. BAM 700, p.1. The overissuance amount for trafficking-related IPVs is the value of the trafficked benefits (attempted or actually trafficked) as determined by: (1) a court decision; (2) the individual's admission; or (3) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. BAM 720, p. 8. This can be established through circumstantial evidence. BAM 720, p. 8. When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p. 1. In this case, the Department established that Respondent trafficked FAP benefits valued at \$600.00 when he attempted to purchase FAP benefits of \$100 on one occasion and \$500 on another occasion. Thus, Respondent received an overissuance of \$600.00.

# **DECISION AND ORDER**

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. Respondent received an overissuance of FAP benefits in the amount of \$600.00 that the Department is entitled to recoup.
- 2. The Department has established, by clear and convincing evidence, that Respondent committed an IPV.
- 3. Respondent should be disqualified from receiving FAP benefits.

IT IS ORDERED THAT the Department may initiate recoupment procedures for the amount of \$600.00 in accordance with Department policy.

IT IS FURTHER ORDERED that Respondent shall be disqualified from FAP benefits for a period of one year.
