ADMINISTRATIVE LAW JUDGE: John Markey

HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on August 28, 2018, from Lansing, Michigan. Petitioner appeared and represented herself. The Department of Health and Human Services (Department) was represented by April White, Eligibility Specialist, and Ryan Clemons, Family Independence Manager. During the hearing, a packet of 28 pages was offered and admitted into evidence as Exhibit A, pp. 1-28.

ISSUE

Did the Department properly process Petitioner's submitted Medical Expenses for inclusion as an expense when calculating Petitioner's Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing FAP recipient and is disabled.
2. Petitioner submitted medical expenses to the Department on June 18, 2018, for processing in connection with determining Petitioner's FAP benefits. Petitioner's reported expenses included bus fare for numerous trips to and from medical appointments, a receipt for a prescription, and a bill showing a balance for services rendered on April 25, 2018. Exhibit A, pp. 23-28.

3. The Department took into consideration when budgeting for July of 2018 Petitioner's reported and verified bus fares but did not consider Petitioner's reported prescription payment of \$3.35 or the reported billing statement showing medical expenses of \$26.80. Exhibit A, pp. 9-22.
4. On July 23, 2018, Petitioner submitted a request for hearing with the Department challenging the Department's refusal to consider her reported medical expenses when calculating Petitioner's level of FAP benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

In this case, Petitioner has sought a hearing regarding the Department's processing of a reported change of medical expenses that could result in an increase in her FAP benefits. Petitioner is disabled and receives Social Security Disability and is entitled to have medical expenses she incurs factored in as an expense to be applied to the calculation of her Food Assistance benefit allotment. BEM 554 (August 2017), pp. 8-12. Petitioner objects to the Department's decision to consider only some of the medical expenses Petitioner reported in June of 2018 while refusing to consider the \$3.35 prescription or the \$26.80 bill. The Department explained at the hearing that it refused to take into consideration Petitioner's prescription or the abovementioned bill because the expenses were not verified. The Department conceded that it did not inform Petitioner that her submission was insufficient to verify the expenses nor did it give Petitioner the opportunity to verify the reported expense.

The Department must verify reported changes in the source or amount of medical expenses if the change would result in an increase in benefits. BEM 554, p. 12. In addition, if a reported change results in a benefit increase, the Department is required to act on a change reported within 10 days of becoming aware of the change. BAM 220 requires processing as follows:

Benefit Increases: Changes which result in an increase in the household's benefits must be effective no later than the first allotment issued 10 days after the date the change was reported, provided any necessary verification was returned by the due date. A supplemental

issuance may be necessary in some cases. If necessary verification is **not** returned by the due date, take appropriate action based on what type of verification was requested. If verification is returned late, the increase must affect the month after verification is returned. BAM 220 (January 2018), p. 8-9.

A medical bill and receipt for a prescription were submitted by Petitioner in June of 2018. Petitioner's submission obligated the Department to review and process the bills to determine the eligible medical expenses. Part of that review is verification of the expenses. No request by the Department for verification of medical expenses was presented at the hearing after the submissions of medical expenses by Petitioner on June 18, 2018. The Department simply deemed Petitioner's submission insufficient and refused to consider the reported expenses when calculating Petitioner's level of FAP benefits. The Department must at least allow Petitioner to verify allowable medical expenses after submitting evidence of the expense.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it processed the Petitioner's medical bills and determined eligible medical expenses.

DECISION AND ORDER

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. The Department shall process all Petitioner's reported medical expenses pursuant to Department policy and law;
2. The Department shall allow Petitioner the opportunity to verify any reported medical expenses that the Department receives and deems insufficiently verified;
3. The Department shall recalculate Petitioner's FAP benefits taking into consideration Petitioner's reported and verified medical expenses, effective July 1, 2018;

4. If Petitioner is eligible for additional FAP benefits, the Department shall issue Petitioner a supplement;
5. The Department shall provide Petitioner with written notice of its determination.
