#### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the SDA program pursuant to 42 CFR 435, MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

On 2018, the Department received Petitioner's application for MA and SDA benefits. On July 16, 2018, the Department sent Petitioner a Verification Checklist (DHS-3503), addressed to his current mailing address, with a July 26, 2018, due date. On August 9, 2018, the Department had not received the information necessary to accurately determine Petitioner's eligibility for benefits and it notified him that his application had been denied.

Petitioner testified that he did not received the Verification Checklist (DHS-3503) form.

While a presumption arises that a letter with a proper address and postage will, when placed in the mail be delivered by the postal service, this presumption can be rebutted with evidence that the letter was not received. If such evidence is presented, as it was here, then a question of fact arises regarding whether the letter was received. [Citations omitted.] Goodyear Tire & Rubber Co v Roseville, 468 Mich 947; 664 NW2d 751 (2003).

In this case, the Department presented substantial evidence that it mailed a Verification Checklist (DHS-3503) form addressed to Petitioner's mailing address of record and the Petitioner failed to rebut the presumption of receipt.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's application for Medical Assistance (MA) and State Disability Assistance (SDA) benefits for failure to provide the Department with information necessary to determine his eligibility to receive benefits.
