ISSUE

Did the Department of Health and Human Services (Department) properly deny Petitioner's Food Assistance Program (FAP) application?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED], 2018, the Department received Petitioner's Food Assistance Program (FAP) application. Exhibit A, pp 7-14.
2. On September 6, 2018, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting verification of her income with a September 17, 2018, due date. Exhibit A, pp 15-16.
3. On September 26, 2018, the Department notified Petitioner that her application had been denied. Exhibit A, pp 5-6.
4. On September 24, 2018, the Department received Petitioner's request for a hearing protesting the denial of her Food Assistance Program (FAP) application. Exhibit A, pp 2-3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

On [REDACTED], 2018, the Department received Petitioner's application for FAP benefits. On September 6, 2018, the Department requested that Petitioner provide verification of her income. On September 26, 2018, the Department had not received verification of her income and it notified her that her FAP application had been denied.

Petitioner did not offer any evidence that she provided the Department with verification of her income in a timely manner.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's September 5, 2018, Food Assistance Program (FAP) application.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
