ISSUE

Did the Department of Health and Human Services (Department) properly close Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On October 22, 2018, the Department received Petitioner's New Hire Client Notice (DHS-4635). Exhibit 1.
2. On November 13, 2018, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting proof of income for the previous 30 days. Exhibit 2.
3. On December 10, 2018, the Department receive one bi-weekly paycheck stub covering the period of November 4, 2018, through November 17, 2018. Exhibit 2.
4. On December 12, 2018, the Department notified Petitioner that his son was no longer eligible for Medical Assistance (MA) effective January 1, 2019. Exhibit 3.

5. On December 27, 2018, the Department received Petitioner's request for a hearing protesting the closure of Medical Assistance (MA) for his son.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

On October 22, 2018, the Department received Petitioner's New Hire Client Notice (DHS-4634) where Petitioner reported that his son had started employment on September 14, 2018. On November 13, 2018, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting verification of his son's earned income for the previous 30 days. On December 10, 2018, the Department received on paycheck stub for the period of November 4, 2018, through November 17, 2018.

The income verification documents provided were insufficient for the Department to accurately determine eligibility for benefits for Petitioner's son. The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Medical Assistance (MA) for failure to provide the Department with information necessary to determine eligibility to receive benefits.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
