Agency No.: Petitioner: OIG

Respondent:

ADMINISTRATIVE LAW JUDGE: Jeffrey Kemm

# **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on January 2, 2019, from Lansing, Michigan. The Department was represented by Darren Bondy, Regulation Agent of the Office of Inspector General (OIG). Respondent, did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4).

#### **ISSUES**

- 1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
- 2. Should Respondent be disqualified from the Food Assistance Program (FAP)?
- 3. Does Respondent owe the Department a debt for the value of FAP benefits trafficked?

#### FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On February 17, 2017, the Department issued a lump-sum of \$3,120.00 in FAP benefits to Respondent pursuant to a Federal court order in *Barry v Lyon*. The issuance was available to Respondent through the use of an EBT card known as a "Bridge Card."

- 2. The Department provided Respondent with a pamphlet titled Important Things to Know (DHS-PUB-1010) and a brochure titled How to Use Your Bridge Card.
- 3. The Things to Know pamphlet advised Respondent that trading or selling FAP benefits was considered FAP trafficking.
- 4. The How to Use Your Bridge Card brochure advised Respondent that misuse of food benefits is a violation of law, including allowing a retailer to buy FAP benefits in exchange for cash.
- 5. Respondent did not have any apparent physical or mental impairment that would limit her understanding or ability to fulfill her responsibilities to the Department.
- 6. On February 19 and 20, 2017, Respondent completed three EBT transactions at Dion's Party Store The King of Party Stores totaling \$625.00.
- 7. As of March 13, 2017, Dion's Party Store The King of Party Stores had approximately 2,000 square feet of space, less than 10 shopping carts, limited food inventory, non-food household supply inventory, alcohol inventory, tobacco inventory, one cash register, no optical scanner, and a turn-style carousel required to complete transactions.
- 8. The United States Food and Nutrition Service (FNS) conducted an investigation of Dion's Party Store The King of Party Stores.
- 9. The FNS examined EBT transaction records for Dion's Party Store The King of Party Stores and found that the store had transactions indicative of trafficking because there were an unusual number of transactions ending in a same cents value, multiple purchase transactions were made too rapidly, multiple transactions from the same individual benefit accounts in unusually short time frames, the majority or all of individual recipient benefits were exhausted in unusually short periods of time, and excessively large purchase transactions were made from recipient accounts.
- 10. On April 17, 2017, the FNS notified Dion's Party Store The King of Party Stores that it suspected the business of FAP trafficking and that it was charging the business with trafficking pursuant to 7 CFR 271.2.
- 11. On May 23, 2017, the FNS notified Dion's Party Store The King of Party Stores that FNS had determined the store engaged in FAP trafficking and that it was permanently disqualified from participating in Supplemental Nutrition Assistance Program (SNAP) as a result.
- 12. The Department conducted an investigation of Respondent's EBT transaction at Dion's Party Store The King of Party Stores.

- 13. The Department determined that Respondent trafficked FAP benefits at Dion's Party Store The King of Party Stores when Respondent completed three EBT transactions within two days at Dion's Party Store The King of Party Stores totaling \$625.00.
- 14. On December 28, 2017, the Department's OIG filed a hearing request to establish that Respondent received an overissuance of benefits and that Respondent committed an IPV.
- 15. The OIG requested Respondent be disqualified from receiving program benefits for 12 months for a first IPV. The OIG requested recoupment of \$625.00 in FAP benefits for the value of the benefits trafficked.
- 16. A notice of hearing was mailed to Respondent at her last known address and it was not returned by the United States Postal Service as undeliverable.

#### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

The Supplemental Nutrition Assistance Program (SNAP) is a federal created program designed to promote general welfare and to safeguard well-being by increasing food purchasing power. 7 USC 2011 and 7 CFR 271.1. The Department administers its food assistance program pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

# Intentional Program Violation

An intentional program violation (IPV) "shall consist of having intentionally: (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards." 7 CFR 273.16(c).

#### Trafficking means:

- (1) The buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;
- (2) The exchange of firearms, ammunition, explosives, or controlled substances, as defined in section 802 of title 21, United States Code, for SNAP benefits;

- (3) Purchasing a product with SNAP benefits that has a container requiring a return deposit with the intent of obtaining cash by discarding the product and returning the container for the deposit amount, intentionally discarding the product, and intentionally returning the container for the deposit amount;
- (4) Purchasing a product with SNAP benefits with the intent of obtaining cash or consideration other than eligible food by reselling the product, and subsequently intentionally reselling the product purchased with SNAP benefits in exchange for cash or consideration other than eligible food; or
- (5) Intentionally purchasing products originally purchased with SNAP benefits in exchange for cash or consideration other than eligible food.
- (6) Attempting to buy, sell, steal, or otherwise affect an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone.

#### 7 CFR 271.2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. 7 CFR 273.16(e)(6) and BAM 720, p. 1. Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, I find that the Department has met its burden. Respondent completed EBT transactions at Dion's Party Store The King of Party Stores, which was a retailer known to engage in the trafficking of FAP benefits. Respondent completed EBT transactions at Dion's Party Store The King of Party Stores which were excessively high considering the size of the store and its inventory of eligible food items. Respondent's transactions were consistent with an individual completing EBT transactions to obtain items other than eligible food items, and Respondent did not provide a legitimate explanation for her transactions. The Department presented clear and convincing evidence that Respondent's EBT transactions at Dion's Party Store The King of Party Stores were for cash or consideration other than eligible food items, either directly, indirectly, in complicity or collusion with others, or acting alone. Therefore, Respondent's conduct meets the definition of trafficking in 7 CFR 271.2.

### Disqualification

In general, individuals found to have committed an intentional Program violation through an administrative disqualification hearing shall be ineligible to participate in the Program: (i) for a period of 12 months for the first violation, (ii) for a period of 24 months for the second violation, and (iii) permanently for a third violation. 7 CFR 273.16(b). Only the individual who committed the violation shall be disqualified – not the entire household. 7 CFR 273.16(b)(11).

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a 12-month disqualification.

#### Overissuance

A recipient claim is an amount owed because of benefits that were overpaid or benefits that were trafficked. 7 CFR 273.18(a)(1). A recipient claim based on trafficking is the value of the trafficked benefits. 7 CFR 273.18(c)(2). In this case, Respondent engaged in trafficking when she completed EBT transactions at Dion's Party Store The King of Party Stores. The Department presented sufficient evidence to establish that \$625.00 of Respondent's EBT transactions were related to trafficking. Thus, Respondent owes the Department \$625.00 because she trafficked FAP benefits valued at that amount.

## **DECISION AND ORDER**

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established, by clear and convincing evidence, that Respondent committed an IPV.
- 2. Respondent should be disqualified from FAP.
- 3. Respondent owes the Department \$625.00 for the value of FAP benefits she trafficked.

IT IS ORDERED THAT the Department may initiate recoupment procedures to collect the \$625.00 debt Respondent owes the Department for the benefits she trafficked.

IT IS FURTHER ORDERED that Respondent shall be disqualified from FAP for a period of 12 months.
