HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on February 13, 2019, from Lansing, Michigan. The Department was represented by Patrick Waldron, Regulation Agent of the Office of Inspector General (OIG). Department Exhibit 1, pp. 1-35 was received and admitted.

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on October 9, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was not a recipient of FAP benefits issued by the Department.
4. Respondent was a household member on [REDACTED] [REDACTED] FAP case. (Ex. 1, p. 26)
5. The Department presented no proof that Respondent was aware of the responsibility to not traffic or attempt to traffic benefits.
6. The Department presented no proof that Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
7. The Department's OIG indicates that the time period it is considering the fraud period is January 23, 2018, through January 24, 2018 (fraud period).
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$150.
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.
11. Respondent posted on [REDACTED] using a profile name [REDACTED] [REDACTED] on January 23, 2018, "Who tryna buy this bridge card" and "\$75 for 150" (Ex. 1, p. 24)

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2015), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department presented no proof that Petitioner was a recipient of FAP benefits. The Department presented no application signed by Petitioner. Petitioner did nothing to attach himself to the jurisdiction of the Department. The Department presented no proof that Petitioner was aware of his rights and responsibilities regarding the use of FAP benefits. The Department presented no proof that Petitioner did not have a physical or mental impairment. The Department failed to establish several of the requirements for an IPV in BAM 720.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department failed to establish an IPV therefore no disqualification is warranted.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

(2) Trafficking-related claims. Claims arising from trafficking-related offenses will be the value of the trafficked benefits as determined by:

(i) The individual's admission;

(ii) Adjudication; or

(iii) The documentation that forms the basis for the trafficking determination 7 CFR 273.18(c)(2)

In this case, the Department presented insufficient proof that Respondent actually trafficked FAP benefits. The Department presented insufficient proof that Respondent sold FAP benefits in exchange for money. Substantial proof was presented that Respondent attempted to traffic benefits by offering to sell benefits but there was insufficient proof that Respondent received money in exchange for benefits. Pursuant to 7 CFR 273.18(c)(2) no basis for a claim against Respondent was established.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.

The Department is ORDERED to delete the OI and cease any recoupment action.
