HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on March 14, 2019, from Lansing, Michigan. The Department was represented by Ryan Sevenski, Regulation Agent of the Office of Inspector General (OIG). Respondent, [REDACTED] [REDACTED] did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4).

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
2. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On January 11, 2017, the Department issued a Notice of Case Action which notified the Respondent that he was approved for a FAP benefit of \$194.00 per month beginning February 1, 2017, based on a reported household income of \$[REDACTED]. The Notice instructed Respondent to report all changes which could affect his eligibility for assistance to the Department within 10 days of the date of the change, including changes in employment and income.
2. On February 2, 2017, Respondent began employment at [REDACTED] [REDACTED]. Respondent received his first paycheck from [REDACTED] [REDACTED] [REDACTED].

on February 9, 2017. Respondent continued to receive paychecks from [REDACTED] through August 2017.

3. Respondent did not report his employment at [REDACTED] to the Department.
4. The Department continued to issue FAP benefits to Respondent based on a household income of \$[REDACTED].
5. The Department investigated Respondent's case and determined that he was overissued FAP benefits because he had unreported income. The Department attempted to contact Respondent to obtain his explanation for failing to report his employment and income, but the Department was unable to obtain an explanation from Respondent.
6. The Department established a debt of \$938.00 owed by Respondent for the overissuance of FAP benefits due to unreported income.
7. On November 30, 2018, the Department's OIG filed a hearing request to establish that Respondent committed an IPV.
8. The OIG requested Respondent be disqualified from FAP for 12 months for a first IPV.
9. A notice of hearing was mailed to Respondent at his last known address and it was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

The Supplemental Nutrition Assistance Program (SNAP) is a federal food assistance program designed to promote general welfare and to safeguard well-being by increasing food purchasing power. 7 USC 2011 and 7 CFR 271.1. The Department administers its Food Assistance Program (FAP) pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015. Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

Intentional Program Violation

An intentional program violation (IPV) "shall consist of having intentionally: (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards." 7 CFR 273.16(c). An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. 7 CFR

273.16(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, I find that the Department has met its burden. Respondent was required to report changes in his circumstances to the Department within 10 days of the change. 7 CFR 273.12(a)(2). The Department clearly and correctly instructed Respondent to report changes to the Department within 10 days, including changes in his employment and income. Respondent failed to report that he obtained employment within 10 days of the date he received his first paycheck from his employer. Respondent did not provide any explanation for his inaction. Respondent's failure to report this change to the Department must be considered an intentional misrepresentation to maintain or obtain benefits from the Department since Respondent knew or should have known that he was required to report the change to the Department and that reporting the change to the Department would have caused his benefits to be reduced. Respondent did not have any apparent physical or mental impairment that would limit his understanding or ability to fulfill his reporting requirement.

Disqualification

In general, individuals found to have committed an intentional program violation through an administrative disqualification hearing shall be ineligible to participate in FAP: (i) for a period of 12 months for the first violation, (ii) for a period of 24 months for the second violation, and (iii) permanently for a third violation. 7 CFR 273.16(b). Only the individual who committed the violation shall be disqualified – not the entire household. 7 CFR 273.16(b)(11).

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a 12-month disqualification from FAP.

DECISION AND ORDER

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established, by clear and convincing evidence, that Respondent committed an IPV.
2. Respondent should be disqualified from FAP.

IT IS ORDERED that Respondent shall be disqualified from FAP for a period of 12 months.
