HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on April 9, 2019, from Lansing, Michigan. The Department was represented by Valerie Lancour, Regulation Agent of the Office of Inspector General (OIG). Department Exhibit 1, pp. 1-74 was received and admitted.

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 4, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in household income.
5. Respondent had an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is February 1, 2015, through October 31, 2015 (fraud period).
7. An overissuance of FAP benefits was previously established.
8. This was Respondent's first alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.
10. Respondent had employment income from Singh Undertakings during the fraud period that was not reported. (Ex. 1, pp. 40-41)

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720(1/1/16), p. 12-13.

Intentional Program Violation

An intentional program violation (IPV) “shall consist of having intentionally: (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards.” 7 CFR 273.16(c). An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, I find that the Department has met its burden. Respondent was required to report changes in his circumstances to the Department within 10 days of the change. 7 CFR 273.12(a)(2). The Department clearly and correctly instructed Respondent to report changes to the Department within 10 days, including changes in household income. Respondent failed to report changes in employment income for himself within 10 days of the date. Respondent did not provide any explanation for his inaction. Respondent’s failure to report this change to the Department must be considered an intentional misrepresentation to maintain or obtain benefits from the Department since Respondent knew or should have known that he was required to report the change to

the Department and that reporting the change to the Department would have caused her benefits to be reduced. Respondent did not have any apparent physical or mental impairment that would limit his understanding or ability to fulfill her reporting requirement.

Disqualification

In general, individuals found to have committed an intentional program violation through an administrative disqualification hearing shall be ineligible to participate in FAP: (i) for a period of 12 months for the first violation, (ii) for a period of 24 months for the second violation, and (iii) permanently for a third violation. 7 CFR 273.16(b)(1). An individual found to have committed an intentional program violation with respect to his identity or place of residence in order to receive benefits from more than one state concurrently shall be ineligible to participate in FAP for 10 years. 7 CFR 273.16(b)(5). Only the individual who committed the violation shall be disqualified – not the entire household. 7 CFR 273.16(b)(11).

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a 12-month disqualification from FAP.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
