HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on March 6, 2019, from Lansing, Michigan. [REDACTED] [REDACTED] Petitioner, appeared and represented herself. Tracie Old, Eligibility Specialist, appeared and represented the Department. Neither party had any additional witnesses.

One exhibit was admitted into evidence during the hearing. A 6-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

ISSUE

Did the Department properly terminate Petitioner's Medical Assistance (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner received SSI-related MA from the Department.
2. Petitioner had an interruption of her SSI in December 2018, and Social Security notified the Department that Petitioner no longer had SSI.
3. When the Department received notice that Petitioner no longer had SSI, the Department issued a Health Care Coverage Determination dated December 15, 2018, which notified Petitioner that her MA was terminated effective February 1, 2019.

4. The Department's Health Care Coverage Determination stated that Petitioner was not eligible because "you are not under 21, pregnant, or a caretaker of a minor child in your home. You are not over 65 (aged), blind, or disabled." The Health Care Coverage Determination did not state that it terminated her MA because she had an interruption in her SSI.
5. Petitioner filed a hearing request on January 2, 2019, to dispute the Department's decision.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

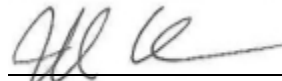

The Department did not act in accordance with its policies when it terminated Petitioner's MA because (a) the Department's notice was insufficient and (b) the Department did not consider whether Petitioner was eligible for other types of MA before it issued its decision. A notice of case action must specify the reasons for the action being taken by the Department. BAM 220 (April 1, 2019), p. 2. Here, the Department decided to terminate Petitioner's MA because Petitioner had an interruption in her SSI, but the notice did not state anything in its Health Care Coverage Determination that would lead a reasonable person to conclude that was the reason for the Department's action. When a client is no longer eligible for SSI-related MA, the Department must consider the client's eligibility for other types of coverage. BAM 220, p. 17-18 and BEM 105 (April 1, 2017), p. 2. Here, the Department did not present any evidence to establish that it considered whether Petitioner was eligible for other types of MA coverage when it determined she was ineligible for SSI-related MA.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with its policies and the applicable law when it issued its December 15, 2018, Health Care Coverage Determination which terminated Petitioner's MA effective February 1, 2019.

IT IS ORDERED that the Department's decision is **REVERSED**.
