MICHIGAN OFFICE OF ADMINISTRATIVE HEARINGS AND RULES

ORLENE HAWKS  
DIRECTOR

[REDACTED], MI [REDACTED]

Date Mailed: June 18, 2019  
MOAHR Docket No.: 19-001580  
Agency No.: [REDACTED]  
Petitioner: OIG  
Respondent: [REDACTED]

**ADMINISTRATIVE LAW JUDGE:** Carmen G. Fahie

### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 2, 2019, from Lansing, Michigan. The Department was represented by Mark Mandreky, #132, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

### **ISSUES**

1. Did Respondent receive an over issuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for 1 year?

### FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on January 29, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department. Department Exhibit 1, pgs. 48-50.
4. On the Assistance Application, DHS-1171E, submitted by Respondent on [REDACTED] [REDACTED] 2015, Respondent reported that she understood the responsibility to properly use the Michigan Bridge Card. Department Exhibit 1, pgs. 11-43.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Department Exhibit 1, pg. 47.
6. The Department's OIG indicates that the time period it is considering the fraud period is February 1, 2017, through February 28, 2017 (fraud period).
7. During the fraud period, Respondent was issued \$1,031.47 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period. Department Exhibit 1, pgs. 48-50.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$1,031.47.
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the US Post Office as undeliverable.

### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a

and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking over issuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
  - the total amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720, ASM 165.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700; BAM 720.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720 (emphasis in original); see also 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

### **Disqualification**

A client who is found to have committed a IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720; BEM 708. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700.

In this case, the Respondent allowed her FAP card to be used at Sam's Club for a catering business, Behind The Scenes, for two parties for her and her friends as cited by an in-person interview with the OIG Agent. Department Exhibit 1, pgs. 4, 58-59. Respondent was a Client identified during the investigation as a recipient of \$3,120.00 as part of Barry v. Lyon Settlement. Respondent was a group size of 1, where FAP policy only allows her to feed herself and not anyone else. Therefore, the Department has met its burden that Respondent did not utilize proper usage of a Michigan Bridge Card. As a result, Respondent received an overissuance of FAP benefits of \$1,031.47 that the Department is required to recoup. Department Exhibit 1, pgs. 1-78.

## **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of program benefits in the amount of \$1,031.47 from the Food Assistance Program (FAP).

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$1,031.47 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program for a period of **12 months**.

CF/
