HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on June 11, 2019, from Lansing, Michigan. The Department was represented by Quucshawn Parker, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On a Redetermination (DHS-1010) form received by the Department on [REDACTED] 2016, Respondent acknowledged the duties and responsibilities of receiving Medical Assistance (MA). Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 9-14.

2. On [REDACTED] [REDACTED] 2017, Respondent entered a lease for an apartment in Texas located at [REDACTED]. Exhibit A, p 15.
3. On [REDACTED] [REDACTED] 2017, Respondent filed an application for food assistance with the state of Texas reporting 1401 Patricia as her home address. Exhibit A, p 16-70.
4. Respondent was a recipient of food assistance from the state of Texas from August of 2017, through February of 2018. Exhibit A, pp 71-74.
5. On February 13, 2019, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$752.88 overpayment. Exhibit A, pp 6-7.
6. The Department's OIG filed a hearing request on February 13, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
7. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or

- the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges
Administrative Manual (BAM) 720 (October 1, 2017), pp 12-13.

Overissuance

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2018), p 1.

To be eligible for MA benefits, a person must be a Michigan resident. A Michigan resident is an individual who is living in Michigan except for a temporary absence. Residency continues for an individual who is temporarily absent from Michigan or intends to return to Michigan when the purpose of the absence has been accomplished. Department of Health and Human Services Bridges Eligibility Manual (BEM) 220 (April 1, 2018), pp 1-2. A resident of Michigan is a person who is living in this state voluntarily with the intention of making his or her home in this state and not for a temporary purpose and who is not receiving assistance from another state. MCL 400.31.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Changes that must be reported include a change of residency. Department of Health and Human Services Bridges Administrative Manual (BAM) 105 (January 1, 2019), p 12. The Department will act on a change reported by means other than a tape match within 15 workdays after becoming aware of the change, except that the Department will act on a change other than a tape match within 10 days of becoming aware of the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 220 (January 1, 2018), p 7. A pended negative action occurs when a negative action requires timely notice based on the eligibility rules in this item. Timely notice means that the action taken by the department is effective at least 12 calendar days following the date of the department's action. BAM 220, p 12.

On a Redetermination (DHS-1010) form received by the Department on May 3, 2016, Respondent acknowledged the duties and responsibilities of receiving MA benefits including the duty to report a change of residency or the receipt of public assistance from another state. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

The evidence supports a finding that Respondent travelled to Texas. Respondent entered into a lease for an apartment on [REDACTED] [REDACTED] 2017, located at [REDACTED]. On [REDACTED] [REDACTED] 2017, Respondent filed an application for food assistance with the state of Texas reporting [REDACTED] as her home address. Respondent received food assistance from Texas from August of 2017, through February of 2018.

The evidence supports a finding that Respondent was not living in Michigan after [REDACTED] [REDACTED] 2017, and that she was not in Texas temporarily. Respondent applied for food assistance from the state of Texas as a person claiming to be a Texas resident. Respondent was not eligible for MA benefits in Michigan while receiving public assistance from another state.

Respondent received MA benefits with a value of \$752.88 from Michigan while receiving food assistance from the state of Texas. Respondent was not eligible for any Michigan MA benefits while receiving assistance from another state. Therefore, Respondent received a \$752.88 overissuance of Michigan MA benefits.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding the reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits the understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273.16(e)(6).

The Department has the burden of establishing by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

On Redetermination (DHS-1010) dated [REDACTED] [REDACTED] 2016, Respondent acknowledged the duties and responsibilities of receiving MA benefits from Michigan. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent failed to report becoming a Texas resident on [REDACTED] [REDACTED] 2017, which was established by her establishing a home in Texas and receiving assistance from the state of Texas. As a result, Respondent received an overissuance of MA benefits.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that Respondent intentionally failed to report a change of residency to the Department for the purposes of becoming eligible for and maintaining eligibility for FAP benefits that she would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as the disqualified person lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (January 1, 2018), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Medical Assistance (MA) benefits in the amount of \$752.88.

3. The Department is ORDERED to initiate recoupment procedures for the amount of \$752.88 in accordance with Department policy.
