**ADMINISTRATIVE LAW JUDGE:** Landis Lain

### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department or Petitioner), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on August 13, 2019, from Lansing, Michigan. The Department was represented by LaChaunda Walker, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

Petitioner's Exhibit A, pages 1-26 were admitted as evidence.

### **ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 18, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report all changes in circumstances.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is January 29, 2018-May 31, 2018 (fraud period).
7. During the fraud period, Respondent was issued \$786 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$786.
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Services as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Pertinent Department policy dictates:

**Criminal Justice Disqualifications**

People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203, p 1 (10/1/2015). An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203, p 2.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
  - the total amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016).

**Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 720, p 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

The Department is requesting program disqualification and recoupment of benefits due to Respondent's failure to report two or more drug felonies to DHHS. Respondent submitted a DHS-1171 Application for Assistance on January 29, 2018, acknowledging his rights and responsibilities of being on public assistance including accurately reporting circumstances to the department.

Respondent answered "yes" to the question "has anyone been convicted of a drug-related felony occurring after 8/22/1996?" Respondent answered "no" to the question "more than once?" Respondent was alone in the eligible FAP group.

Respondent failed to report he had two drug felony convictions on DHHS-1171 Application signed [REDACTED] [REDACTED] 2018. Wayne County Third Circuit Court shows the subject was sentenced on February 12, 2010 and was charged with Controlled Substance – Delivery/manufacture marijuana under docket number 10-000676-02-FH. Genesee County Circuit Court shows the subject was sentenced on May 5 12, 2015, and was charged with Controlled Substance – Delivery/manufacture (narcotic or Cocaine) Less than 50 GR under docket number 14-036055-FH. BRIDGES issuance summary shows FAP benefits were issued.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving Family Independence Program, FAP, or State Disability Assistance, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and **lifetime for the third IPV or conviction of two felonies for the use, possession, or distribution of controlled substances in separate periods if both offenses occurred after August 22, 1996.** BEM 203, p 2; BAM 720, p 18. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 17.

Here, the Department has requested a twelve-month disqualification. Because Respondent's felony drug convictions occurred after August 22, 1996, Respondent was not eligible for FAP benefits. Consequently, Respondent is disqualified from receiving FAP benefits for lifetime.

**Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the over issuance. BAM 700, p 1 (1/1/2016).

Respondent applied for and received Food Assistance Program (FAP) benefits from the State of Michigan. Respondent falsely reported the number of felony drug convictions at time of application to gain public assistance. Respondent's failure to report to the State of Michigan DHHS resulted in receiving public assistance (FAP) for which he was not eligible. Respondent failed to sign the MDHHS-4350, Intentional Program Violation Repayment Agreement or the MDHHS-826, Request for Wavier of Disqualification Hearing. The amount of the overissuance is \$786 for the period of January 29, 2018-May 31, 2018.

**DECISION AND ORDER**

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$786.00.

The Department is ORDERED to initiate recoupment procedures for the amount of \$786.00 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving FAP benefits for the requested 12-month period in accordance with Department policy.
