ISSUE

Did the Department of Health and Human Services (Department) properly deny Petitioner's application for State Disability Assistance (SDA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On ██████████ 2019, the Department received Petitioner's application for State Disability Assistance (SDA) benefits. Exhibit A, p 14.
2. On January 14, 2019, the Department sent Petitioner a Medical Determination Verification Checklist (DHS-3503-MRT) with a January 24, 2019, due date. Exhibit A, pp 4-5.
3. On February 1, 2019, the Department notified Petitioner that his application for State Disability Assistance (SDA) benefits was denied. Exhibit A, pp 8-11.
4. On March 22, 2019, the Department received Petitioner's request for a hearing protesting the denial of his application for State Disability Assistance (SDA) benefits. Exhibit A, p 2 and pp 12-13.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the SDA program pursuant to 42 CFR 435, MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2018), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-10.

On [REDACTED] 2019, the Department received Petitioner's application for SDA benefits. On January 14, 2019, the Department requested that Petitioner provide information necessary to establish his inability to perform work activities. On February 1, 2019, the Department had not received the information needed to accurately determine Petitioner's eligibility for SDA benefits, and it denied the application.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied Petitioner's January 10, 2019, application for State Disability Assistance (SDA) benefits for failure to provide the Department with information necessary to determine his eligibility to receive benefits.

Accordingly, the Department's decision is **AFFIRMED**.
