HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on July 18, 2019, from Lansing, Michigan. The Department was represented by Maria Walters, Regulation Agent of the Office of Inspector General (OIG). Respondent, [REDACTED], did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4).

One exhibit was admitted into evidence during the hearing. A 104-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
2. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. An individual with a Facebook profile name of "[REDACTED]" made a post on Facebook which offered tattoo services in exchange for FAP benefits.
2. The Department discovered the Facebook post made by [REDACTED] and conducted an investigation. The Department determined that the Facebook profile

for [REDACTED] belonged to Respondent because: (a) [REDACTED] identified his birthday on Facebook as [REDACTED] and Respondent's birthday on file with the Department is also [REDACTED]; (b) [REDACTED] identified his mugshot on Facebook, and the mugshot contained Respondent's full legal name; and (c) a comparison of [REDACTED]'s profile pictures on Facebook matched Respondent's pictures on file with the State Police and the Secretary of State.

3. The Department contacted Respondent to interview him, but he did not respond or appear for his interview.
4. On March 22, 2019, the Department's OIG filed a hearing request to establish that Respondent committed an IPV.
5. The OIG requested that Respondent be disqualified from receiving program benefits for 12 months for a first IPV.
6. A notice of hearing was mailed to Respondent at his last known address and it was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

The Supplemental Nutrition Assistance Program (SNAP) is a federal food assistance program designed to promote general welfare and to safeguard well-being by increasing food purchasing power. 7 USC 2011 and 7 CFR 271.1. The Department administers its Food Assistance Program (FAP) pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-119b; and Mich Admin Code, R 400.3001 to .3015. Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

Intentional Program Violation

An intentional program violation (IPV) "shall consist of having intentionally: (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards." 7 CFR 273.16(c).

Trafficking means:

- (1) The buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;

- (2) The exchange of firearms, ammunition, explosives, or controlled substances, as defined in section 802 of title 21, United States Code, for SNAP benefits;
- (3) Purchasing a product with SNAP benefits that has a container requiring a return deposit with the intent of obtaining cash by discarding the product and returning the container for the deposit amount, intentionally discarding the product, and intentionally returning the container for the deposit amount;
- (4) Purchasing a product with SNAP benefits with the intent of obtaining cash or consideration other than eligible food by reselling the product, and subsequently intentionally reselling the product purchased with SNAP benefits in exchange for cash or consideration other than eligible food; or
- (5) Intentionally purchasing products originally purchased with SNAP benefits in exchange for cash or consideration other than eligible food.
- (6) Attempting to buy, sell, steal, or otherwise affect an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone.

7 CFR 271.2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, I find that the Department has met its burden. Respondent made a post on Facebook in an attempt to acquire FAP benefits in exchange for his tattoo services. Respondent did not provide any explanation for his actions. Respondent's conduct meets the definition of trafficking in 7 CFR 271.2(6).

Disqualification

In general, individuals found to have committed an intentional Program violation through an administrative disqualification hearing shall be ineligible to participate in the Program: (i) for a period of 12 months for the first violation, (ii) for a period of 24 months for the second violation, and (iii) permanently for a third violation. 7 CFR 273.16(b). Only the individual who committed the violation shall be disqualified – not the entire household. 7 CFR 273.16(b)(11).

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a 12-month disqualification.

DECISION AND ORDER

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established, by clear and convincing evidence, that Respondent committed an IPV.
2. Respondent should be disqualified from the Food Assistance Program (FAP).

IT IS ORDERED that Respondent shall be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
