The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 28, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

- 2. Respondent was a recipient of MA benefits issued by the Department.
- 3. Respondent was aware of the responsibility to report employment income.
- 4. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 5. The Department's OIG indicates that the time period it is considering the fraud period is May 1, 2017, through November 30, 2017 (fraud period).
- 6. During the fraud period, Respondent was issued \$1,801.37 in MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
- 7. The Department alleges that Respondent received an OI in MA benefits in the amount of \$1,801.37.
- 8. Respondent failed to report income from Appletree Inc. and Asphalt Specialists. (Ex. 1, pp. 60-67)
- 9. This was Respondent's first alleged IPV.
- 10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - ➤ the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - ➤ the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016)

<u>Overissuance</u>

Only residents of Michigan are eligible to receive benefits from the Department. BEM 220 (January 2016), p. 1. When an ineligible client is issued benefits or an eligible client is issued more benefits than the client is entitled, the Department must attempt to recoup the OI. BAM 700 (January 2016), p. 1.

In this case, the Department showed by clear and convincing evidence that Respondent failed to report employment income from and and (Ex. 1, pp. 60-67) BEM 500 This conclusion is based on the employment records provided by the Department.

Thus, Respondent was over the income limits and was ineligible to receive MA benefits. However, the Department issued Respondent MA benefits of \$1,801.37. As Respondent was ineligible to receive those benefits, they are considered an overissuance. In total, the overissuance was \$1,801.37.

Intentional Program Violation

The Department's policy in effect at the time of Respondent's alleged IPV defined an IPV as an overissuance in which the following three conditions exist: (1) the client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination; (2) the client was clearly and correctly instructed regarding his or her reporting responsibilities; and (3) the client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill his or her reporting responsibilities. BAM 720 (January 2016) p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1; see also 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence, which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, the Department has met its burden. Respondent was required to report changes in his circumstances to the Department within 10 days of the date of the change. BAM 105 (April 2016), pp. 11-12. The Department clearly and correctly instructed Respondent to report changes to the Department. Respondent failed to report employment income. Respondent's failure to report this change to the Department must be considered an intentional misrepresentation to maintain his MA benefits since Respondent knew or should have known that he was required to report the change to the Department and that reporting the change to the Department would have caused the Department to stop issuing MA benefits. Respondent did not have any apparent physical or mental impairment that would limit his understanding or ability to fulfill his reporting requirement.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
- 2. Respondent did receive an OI of program benefits in the amount of \$1,801.37 from the following program(s) MA.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$1,801.37 in accordance with Department policy.
