HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on May 30, 2019, from Lansing, Michigan. The Petitioner was represented by Petitioner, [REDACTED]. The Department of Health and Human Services (Department) was represented by Morgan Hafler, Hearings Facilitator and Markita Mobley, Eligibility Specialist.

Respondent's Exhibit A pages 1-11 were admitted as evidence.

ISSUE

Did the Department properly determine that Petitioner had excess income for purposes of Medical Assistance (MA) Program eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED] 2019, Petitioner filed an application for Medical Assistance Program benefits.
2. Petitioner provided income information on April 3, 2019.
3. On April 4, 2019, the Department sent Petitioner a Health care Coverage Determination Notice indicating that Petitioner is not eligible effective March 1, 2019- Ongoing because he had annual income of [REDACTED].

4. On April 16, 2019, Petitioner filed a Request for Hearing to contest the Department's Negative action.
5. On April 29, 2019, the Michigan Office of Administrative Hearings and Rules received the Hearing Summary and attached documents.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a Department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Pertinent Department policy dictates:

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness. The Michigan Administrative Hearing System (MAHS) may grant a hearing for any of the following:

- Denial of an application and/or supplemental payments.
- Reduction in the amount of program benefits or service.
- Suspension or termination of program benefits or service.
- Restrictions under which benefits, or services are provided.

- Delay of any action beyond standards of promptness.
- For FAP only, the current level of benefits or denial of expedited service.
Department of Human Services Bridges Administrative Manual (BAM) 600
(April 1, 2017), pp 3-4.

The client or AHR has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received in the local office within the 90 days. BAM 600, page 6

The Healthy Michigan Plan (HMP) is based on Modified Adjusted Gross Income (MAGI) methodology. The Healthy Michigan Plan provides health care coverage for a category of eligibility authorized under the Patient Protection and Affordable Care Act and Michigan Public Act 107 of 2013 effective April 1, 2014.

The Healthy Michigan Plan (HMP) provides health care coverage for individuals who:

- Are 19-64 years of age.
- Do not qualify for or are not enrolled in Medicare.
- Do not qualify for or are not enrolled in other Medicaid programs.
- Are not pregnant at the time of application.
- Meet Michigan residency requirements.
- Meet Medicaid citizenship requirements.
- Have income at or below 133% Federal Poverty Level (FPL) Cost Sharing.

The Healthy Michigan Plan has beneficiary cost sharing obligations. Cost sharing includes copays and contributions based on income, when applicable. Copayments for services may apply to HMP beneficiaries. Prior to enrollment in a health plan, beneficiaries are eligible to receive Healthy Michigan Plan services through the Fee-for-Service system. Copays are collected at the point of service, with the exception of chronic conditions and preventive services. Modified adjusted gross income must be at or below 133 percent of the Federal Poverty Level (FPL). BEM 137, pages 1-3

Department policy requires the department to count and budget all income received that is not specifically excluded. There are 3 main types of income: countable earned, countable unearned, and excluded. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income is any income that is not earned. The amount of income counted maybe more than the amount a person actually receives, because it is the amount before deductions are taken including the deductions for taxes and garnishments. The amount before any deductions are taken is called a gross amount. BEM, item 500, p. 1.

Use past income to prospect income for the future unless changes are expected:

- Use income from the past 30 days if it appears to accurately reflect what is expected to be received in the benefit month. BEM 505, page 6

When the income amount changes, adjust the amount(s) being budgeted for future pay periods. For earned income:

- If the rate of pay changes, but hours are expected to remain the same, use the past hours worked times the new rate of pay to determine the amount to budget for future pay periods.
- If there is a change in expected hours, but no change in the rate of pay, use the expected hours times the rate of pay to determine the amount to budget per pay period. BEM 505, page 7

A standard monthly amount must be determined for each income source used in the budget. Stable and Fluctuating Income Convert stable and fluctuating income that is received more often than monthly to a standard monthly amount. Use one of the following methods:

- Multiply weekly income by 4.3.
- Multiply amounts received every two weeks by 2.15.
- Add amounts received twice a month. This conversion takes into account fluctuations due to the number of scheduled pays in a month. BEM 505, page 8

HMP uses a Modified Adjusted Gross Income (MAGI) methodology. BEM 137 (October 2016), p. 1. An individual is eligible for HMP if his/her household's income does not exceed 133% of the Federal Poverty Level (FPL) applicable to the individual's group size. BEM 137, p. 1. An individual's group size for MAGI-related purposes requires consideration of the client's tax filing status. Petitioner is a group size of one. Petitioner works seven months out of the year.

133% of the annual FPL in 2019 for a household with one member is \$16,611.70. See <https://aspe.hhs.gov/poverty-guidelines>. Therefore, to be income eligible for HMP, Petitioner's annual countable income cannot exceed \$16,611.70. To determine financial eligibility under HMP, income must be calculated in accordance with MAGI under federal tax law. BEM 500 (July 2017), p. 3. MAGI is based on Internal Revenue Service rules and relies on federal tax information. BEM 500, p. 3. Income is verified via electronic federal data sources in compliance with MAGI methodology. MREM, § 1. The Department determined that Petitioner's yearly income is \$ [REDACTED] on April 4, 2019.

The Department finally calculated that Petitioner has \$ [REDACTED] x 2.15 = \$ [REDACTED] monthly income. \$ [REDACTED] x 12 (income for one year prospectively) = \$ [REDACTED] in annual income, which exceeds the yearly income allowed for eligibility.

However, it is clear that Petitioner did not earn \$ [REDACTED] based upon the fact that his income dropped effective February 26, 2019, to \$ [REDACTED]. The Department has knowledge of the actual income per information contained on Page 10. The proper calculation using the prior thirty days income would have been:

\$ [REDACTED] + \$ [REDACTED] = \$ [REDACTED] actual income divided by 2 = \$ [REDACTED] averaged income.

\$ [REDACTED] x 2.15 = \$ [REDACTED] in average monthly income.

\$ [REDACTED] x 12 = \$ [REDACTED] in yearly income, which is under the \$ [REDACTED] limit.

The caseworker who worked on this case was not available to testify. The explanation of the witnesses who did appear was confusing. No budget of calculations was provided.

Therefore, this Administrative Law Judge finds the Department has not established by the necessary competent, material and substantial evidence on the record that it acted in accordance with Department policy when it determined that Petitioner's household has excess income for purposes of Medical Assistance benefit eligibility under the circumstances. The Department has not established its case by a preponderance of the evidence presented on the record.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has not established that it properly calculated Petitioner's income for purposes of Medical Assistance benefit eligibility.

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN TEN DAYS OF MAILING OF THIS DECISION AND ORDER:

1. Recalculate Petitioner's Medical Assistance Budget consistent with Department policy;
2. Notify Petitioner of the Department's calculations and specific budget determination information; and

3. If Petitioner is otherwise eligible, open an ongoing Medical Assistance case effective the March 6, 2019, application date.
