CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Pertinent Department policy dictates:

All Programs Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- Required by policy. Bridges Eligibility Manual (BEM) items specify which factors and under what circumstances verification is required.
- Required as a local office option. The requirement must be applied the same for every client. Local requirements may not be imposed for Medicaid Assistance (MA).
- Information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party.

Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level. (Bridges Administrative Manual (BAM) 130, page 1)

Medicaid

Allow the client 10 calendar days (or other time limit specified in policy) to provide the verification requested. Refer to policy in this item for citizenship verifications. If the client cannot provide the verification despite a reasonable effort, extend the time limit up to two times.

At renewal if an individual is required to return a pre-populated renewal form, allow 30 calendar days for the form to be returned.

At application, renewal, ex parte review, or other change, explain to the client/authorized representative the availability of your assistance in obtaining needed information. Extension may be granted when the following exists:

- The customer/authorized representative need to make the request. An extension should not automatically be given.

- The need for the extension and the reasonable efforts taken to obtain the verifications are documented.
- Every effort by the department was made to assist the client in obtaining verifications. (BEM 130, page 8)

In this case, the evidence establishes that the redetermination form and required documentation were provided to the Department in a timely manner and as requested. The Department witness conceded on the record that Petitioner's case was closed in error and agreed to reinstate Petitioner's Medical Assistance and Food Assistance Program cases back to the date of closure. Petitioner agreed with the assessment.

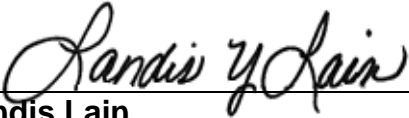

DECISION AND ORDER

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Reinstate Petitioner's Food Assistance Program and Medical Assistance cases to the March closure date.
2. Pay to Petitioner any Food Assistance Program benefits and Medical Assistance program benefits to which she's entitled to for the months of March, April, May, and June 2019.
