HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on August 28, 2019, from Lansing, Michigan. The Petitioner was represented by Petitioner [REDACTED]. The Department of Health and Human Services (Department or Respondent) was represented by Denice Stitt, Eligibility Specialist.

Respondent's Exhibit A pages 1-10 were admitted as evidence.

ISSUE

Did the Department properly determine the amount of Petitioner's Medical Assistance (MA) deductible spend-down?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was a MA benefit recipient.
2. The Department determined that Petitioner's MA case should be cancelled and that she should have a deductible spend-down of \$1,135.00 per month.
3. On June 3, 2019, the Department sent Petitioner a Health Care Determination Notice indicating that Petitioner's children were approved for full MA but her case was ineligible because her income exceeded the limit for her group size of one.
4. On July 16, 2019, Petitioner filed a request for hearing to contest the Department's negative action.

5. On August 6, 2019, the Michigan Office of Administrative Hearings and Rules received the Hearing Summary and attached documents.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Michigan provides MA eligible clients under two general classifications: group 1 and group 2 MA. Petitioner qualified under the group 2 MA classification which consists of clients whose eligibility results from the state designating certain types of individuals as medically needy. PEM 105. In order to qualify for group 2 MA, a medically needy client must have income as equal to or less than the basic protected monthly income level.

Department policy sets forth a method for determining the basic maintenance level by considering:

1. Protected income level
2. The amount deferred to dependent
3. Health insurance premiums
4. Remedial services if determining the eligibility for claimants in Adult Care Homes.

If Petitioner's income exceeds the protect income level, the excess income must be used to pay medical expenses before group 2 MA coverage can begin. This process is known as a spend-down. The policy requires the Department to count and budget all

income received that is not specifically excluded. There are 3 main types of income: countable earned, countable unearned, and excluded. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income is any income that is not earned. The amount of income counted maybe more than the amount a person actually receives, because it is the amount before deductions are taken including the deductions for taxes and garnishments. The amount before any deductions are taken is called a gross amount. BEM, item 500, p. 1.

In the instant case, the Department caseworker indicated that she counted Petitioner's monthly earned income in determining eligibility for Medical Assistance. However, there is no budget, no pay stubs or proof of income attached to the Department's exhibits. It was not clear to this Administrative Law Judge just how the Department caseworker calculated the income or how the Department made its determination.

Therefore, this Administrative Law Judge finds the Department has established by the necessary competent, material and substantial evidence on the record that it did not act in accordance with department policy when determined Petitioner has excess income for purposes of Medical Assistance benefit eligibility and when it determined that Petitioner has a monthly \$1,135.00 deductible spend-down that Petitioner must meet in order to qualify for Medicaid for any medical expenses. The Department's action must be reversed.

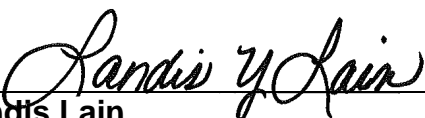

DECISION AND ORDER

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Re-evaluate Petitioner's Medicaid Assistance eligibility under sech available program.
2. Re-evaluate Petitioner's Medical Assistance deductible spend-down in accordance with Department policy.
