HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on November 27, 2019, from Lansing, Michigan. The Department was represented by Daniel Marchetti, Regulation Agent of the Office of Inspector General (OIG). Respondent, [REDACTED] did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e)(4).

One exhibit was admitted into evidence during the hearing. A 78-page packet of documents provided by the Department was admitted collectively as the Department's Exhibit A.

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits and Medical Assistance (MA) that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED] [REDACTED] 2018, Respondent applied for assistance from the Department, including FAP and MA. In Respondent's application, Respondent asserted that

she was living in Michigan and she was not currently receiving any food assistance benefits.

2. At the time that Respondent applied for assistance from the Department, Respondent was receiving FAP benefits and MA from Kentucky. Respondent did not report to the Department that she was receiving assistance from Kentucky.
3. Respondent did not have any apparent physical or mental impairment that would have limited her understanding or ability to provide true and complete information.
4. The Department and Kentucky issued concurrent FAP benefits and MA to Respondent from May 2018 through October 2018. The Department issued Respondent \$1,965.00 worth of FAP benefits and MA at a cost of \$1,027.10.
5. Respondent used her FAP benefits from Kentucky and the Department to complete EBT transactions to purchase food items.
6. The Department investigated Respondent's case because it determined that she received concurrent benefits.
7. The Department attempted to contact Respondent to obtain her explanation, but the Department was unable to obtain Respondent's explanation.
8. On July 25, 2019, the Department's OIG filed a hearing request to establish that Respondent committed an IPV and that Respondent owes the Department a debt for benefits overissued.
9. The Department requested Respondent be disqualified from FAP for 10 years for a first IPV involving the concurrent receipt of benefits. The Department requested the establishment of a debt of \$1,965.00 for FAP benefits plus \$1,027.10 for the cost of MA.
10. A notice of hearing was mailed to Respondent at her last known address and it was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

Overissuance

An overissuance is the amount of benefits issued to the client group in excess of what it was eligible to receive. BAM 700 (January 1, 2018), p.1. When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p. 1.

Only a resident of Michigan is eligible for assistance from the Department. BEM 220 (April 1, 2018), p. 1. For MA, an individual is a resident if she lives in Michigan except for a temporary absence. *Id.* at 2. For FAP, an individual is a resident if she lives in Michigan for any purpose other than a vacation, regardless of whether she has an intent to remain permanently. *Id.* at 1. An individual cannot receive FAP benefits from more than one state for the same month. BEM 222 (October 1, 2018), p. 3.

In this case, the Department alleged that Respondent was overissued FAP benefits and MA because she received FAP benefits and MA concurrently from the Department and Kentucky. Respondent was overissued benefits because an individual cannot receive concurrent assistance. However, Respondent was a resident of Michigan, so she was eligible for assistance from the Department. Thus, Respondent did not receive assistance from the Department that she was not eligible to receive. Therefore, the Department did not overissue assistance to Respondent; rather, Kentucky overissued assistance to Respondent since Respondent was not a resident of Kentucky when it issued assistance to her.

Intentional Program Violation

An intentional program violation (IPV) “shall consist of having intentionally: (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards.” 7 CFR 273.16(c). An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence, which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, the Department has not met its burden. As stated above, Respondent did not receive any assistance from the Department that she was not eligible to receive. Although Respondent did not disclose that she was receiving assistance from Kentucky when she applied for assistance from the Department, the Department did not present sufficient evidence to establish that Respondent intended to misrepresent information to obtain benefits she was not eligible to receive.

Disqualification

In general, individuals found to have committed an intentional program violation through an administrative disqualification hearing shall be ineligible to participate in FAP: (i) for a period of 12 months for the first violation, (ii) for a period of 24 months for the second violation, and (iii) permanently for a third violation. 7 CFR 273.16(b)(1). An individual found to have committed an intentional program violation with respect to his identity or place of residence in order to receive benefits from more than one state concurrently shall be ineligible to participate in FAP for 10 years. 7 CFR 273.16(b)(5). Only the individual who committed the violation shall be disqualified – not the entire household. 7 CFR 273.16(b)(11).

In this case, the Department did not establish that Respondent committed an intentional program violation, so Respondent is not disqualified from FAP.

DECISION AND ORDER

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. Respondent did not receive an overissuance from the Department.
2. The Department has not established, by clear and convincing evidence, that Respondent committed an IPV.
3. Respondent should not be disqualified from FAP.

IT IS SO ORDERED.
