### **CONCLUSIONS OF LAW**

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a Department decision affecting eligibility, or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Michigan Office of Administrative Hearings and Rules (MOAHR) may grant a hearing for any of the following:

- Denial of an application and/or supplemental payments.
- Reduction in the amount of program benefits or service.
- Suspension or termination of program benefits or service.
- Restrictions under which benefits, or services are provided.
- Delay of any action beyond standards of promptness.
- For FAP only, the current level of benefits or denial of expedited service. BAM 600 (April 1, 2017), pp 3-4.

The client or AHR has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received in the local office within the 90 days. BAM 600, page 6

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Pertinent FAP policy indicates:

Federal regulations at 7 CFR 271; 273 provides standards for the determination of Food Assistance Program budgeting. The Department follows the program reference manual, tables, charts, schedules, table 240-1.

Income means a benefit or payment received by an individual which is measured in money. It includes money an individual owns even if not paid directly such as income paid to a representative. Income remaining after applying the policy in the income related items is called countable. This is the amount used to determine eligibility and benefit levels. Count all income that is not specifically excluded. BEM 500, page 1

Gross income is the amount of income before any deductions such as taxes or garnishments. This may be more than the actual amount an individual receives. BEM 500, pages 4-5

Always calculate income on a calendar month basis to determine eligibility and benefit amounts. Use income from a month specified in this item for the benefit month being considered. Budget the entire amount of earned and unearned countable income. Every case is allowed the standard deduction shown in Reference Tables Manual (RFT) 255. Document income budgeting on either a manually calculated or an automated FAP worksheet. (BEM 550, page 1)

Bridges converts all expenses (except one-time-only expenses the group does not wish to average) to a nonfluctuating monthly amount. The same conversion method is used.

Use only available, countable income to determine eligibility. The Bridges Eligibility Manual (BEM) 500 series defines countable income. BEM 505 defines available income and income change processing. This item describes income budgeting policy.

**In the instant case, Petitioner receives SSI benefits appropriately calculated as \$ [REDACTED] per month.**

**Petitioner was given the standard deduction of \$158.00 per month. \$ [REDACTED] - \$158.00 = \$ [REDACTED] in adjusted gross income.**

Petitioner receives Section 8 Housing. Her shelter amount is \$208 per month in rent, and the heat and utility standard of \$543 for a total monthly shelter amount of \$751.

\$751 - \$311 (50% of Adjusted Gross Income) = \$440 in adjusted Excess Shelter Amount.

\$ [REDACTED] in adjusted gross income - \$440 in adjusted excess shelter amount =  
\$ [REDACTED] Net monthly income. 30% of \$ [REDACTED] = [REDACTED]

The maximum monthly FAP benefit for a one-person group = \$192.

\$192 maximum benefit - \$55 (30% of net income) = \$137 in monthly FAP benefit allotment.

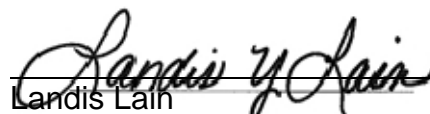

A review of Petitioner's case reveals that the Department budgeted the correct amount of income received by the Petitioner at the time of determination. Petitioner's deductions and shelter allotment are governed by Food Assistance Program policy and cannot be changed by the Department or this Administrative Law Judge. If Petitioner provides the Department with information that Petitioner now receives less monthly income, the Department can reassess Petitioner's eligibility for increased Food Assistance Program benefits.

### **DECISION AND ORDER**

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department has established by the necessary competent, material and substantial evidence on the record that it was acting in accordance with Department policy when it determined that Petitioner was eligible for a \$ [REDACTED] per month in Food Assistance Program benefits until October 1, 2019 when the amount changed to \$ [REDACTED] because of the FAP annual update. The Department's calculations of Petitioner's SSI income and deductions are appropriate. The Department has established its case by a preponderance of the evidence.

Accordingly, the Department's decision is **AFFIRMED**.
