**ADMINISTRATIVE LAW JUDGE: Ellen McLemore**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 11, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for 12 months?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 7, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in income and group size to the Department within 10 days.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is October 1, 2016 through February 28, 2017 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2017), p. 12-13

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2018), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of

establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she failed to notify the Department of a mandatory group member in her household, who also had income. While this evidence may be sufficient to establish that Respondent may have been overissued benefits, to establish an IPV, the Department must present clear and convincing evidence that Respondent intentionally withheld or misrepresented information for the purpose of maintaining benefits.

In support of its contention that Respondent committed an IPV, the Department presented a semi-annual that Respondent submitted on July 23, 2016. The Department asserts that when completing the semi-annual process, Respondent acknowledged that she had received the Information Booklet advising her regarding "Things You Must Do" which explained reporting change circumstances including employment and group size. The Department also presented an application submitted by Respondent on October 19, 2016. In the application, Respondent indicated the only members of her household were herself and her daughter. Also, Respondent listed her address as [REDACTED].

Additionally, the Department presented documents from [REDACTED]. In the documents it lists [REDACTED] as the lessee and that the address was [REDACTED]. The documents were signed on August 26, 2016. The Department testified that [REDACTED] is designated as Respondent's child's absent parent within their electronic record keeping system. The Department also presented an employment verification showing [REDACTED] was employed and receiving income from October 1, 2016 through January 2017.

The Department testified that because Respondent and [REDACTED] had a child in common and were living together, they should have been in the same group. Therefore, [REDACTED] income should have also been included when determining Respondent's FAP benefit amount.

FAP budget calculations require the consideration of the group size. The Department will determine who must be included in the FAP group prior to evaluating the non-financial and financial eligibility of everyone in the group. BEM 212 (July 2014), p. 1. The FAP group composition is established by determining all of the following: who lives together, the relationship(s) of the people who live together whether the people living together purchase and prepare food together or separately, and whether the person(s) resides in an eligible living situation. BEM 212, p. 6. Living with means sharing a home where family members usually sleep and share any common living quarters such as a kitchen, bathroom, bedroom or living room. Persons who share only an access area such as an entrance or hallway or non-living area such as a laundry room are not considered living together. BEM 212, p. 3. Parents and their children under 22 years of

age who live together must be in the same group regardless of whether the child(ren) have their own spouse or child who lives with the group. BEM 212.

The Department presented sufficient evidence that Respondent and [REDACTED] were living together during the fraud period. Respondent submitted an application for benefits during the fraud period indicating the same address at which [REDACTED] was residing. Respondent did not include [REDACTED] in her household. Therefore, the Department sufficiently established that Respondent misrepresented her circumstances to fraudulently obtain benefits. Thus, the Department has established by clear and convincing evidence that Respondent intentionally withheld information for the purpose of maintaining her eligibility for FAP benefits and committed an IPV.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a 12-month disqualification under the FAP program, as it is her first IPV related to FAP.

### **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. At the hearing, the Department established that the State of Michigan issued a total of [REDACTED] in FAP benefits to Respondent during the fraud period. The Department alleges that Respondent was eligible for [REDACTED] in FAP benefits during this period.

As stated above, the Department presented sufficient evidence to establish that Respondent's child's father was living in her household, and therefore, should have been included in her FAP group. The Department presented overissuance budgets showing the amount of FAP benefits Respondent received (based on a group size of two) and the amount of FAP benefits she should have received (based on a group size of three) with [REDACTED] income included. The Department testified the unreported earned income that was included came from the employment verification that was presented. However, the employment verification did not include [REDACTED] earnings from February 2017. The Department did not provide any evidence to support the calculation of the unreported income for February 2017. Therefore, the Department failed to establish that it properly calculated the overissuance amount for February

2017. Thus, the Department is not entitled to recoup the [REDACTED] in alleged overissued FAP benefits during that month. Therefore, the Department established it is entitled to recoup/collect [REDACTED] in FAP benefits that were overissued to Respondent for the period of October 1, 2016 through January 31, 2017.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an overissuance of FAP program benefits in the amount of [REDACTED].

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED], less any amounts already recouped/collected, in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
