Re: Docket No. 18-002720

Dear [REDACTED]

The Michigan Administrative Hearing System (MAHS) is in receipt of your August 28, 2018 letter concerning the implementation of the Hearing Decision issued August 13, 2018 in which the Administrative Law Judge found that you had committed an intentional program violation and imposed a 12-month disqualification from your participation in the Food Assistance Program (FAP). In your letter, you express concerns about the Department of Health and Human Services' failure to timely impose the FAP disqualification.

Please be advised that, in the absence of a request for rehearing and/or reconsideration, submitted in accordance with Department policy and as described on the last page of the Hearing Decision, MAHS has no further authority with respect to the August 13, 2018 Hearing Decision. However, I will forward your concerns to the Department's Lansing Field Services Operations Division for further consideration.

If you need to contact MAHS for further information, please call our office at (313) 456-1012.

Sincerely,

Alice C. Elkin
