**ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 11, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for (OI) of Food Assistance (FAP)?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on April 19, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report accurately his criminal disqualification information when providing information required to determine eligibility for benefits.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is November 1, 2014 through September 30, 2015 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Services as undeliverable.

### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2017), p. 12-13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or

eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV because he failed to report his two felony drug convictions to the Department. Individuals convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (October 2015), p. 1. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (July 2015 and April 2016), pp. 5, 8-11.

Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated and the qualifying conviction occurred after August 22, 1996 or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2.

In support of its contention that Respondent failed to report his felony drug convictions, the Department presented an application dated October 24, 2013 where Respondent answered no to the question regarding whether he had ever been convicted of a drug felony and a redetermination dated March 15, 2015 where he answered Yes to a drug felony conviction and No to whether he had been convicted more than once. See Exhibit A, pp. 14 and 43.

In addition the Department presented further evidence to support that Respondent had drug felony convictions. The first such conviction by guilty plea on January 16, 2004 in the [REDACTED] was for conspiracy to deliver [REDACTED], MCL 333.740 12 (A) iv which is a drug felony. The second conviction presented was for a conviction on December 8, 2005, by guilty plea in the [REDACTED] [REDACTED] to Possession controlled substance less than 25 grams mcl 333.7403 (2) a iv

The cited statutory basis supporting the convictions in the judgments establish that Respondent had two felony drug convictions. Given the fact that the Department has demonstrated that Respondent had two drug felonies, at the time of both the applications and reported that he had no drug felonies in the first application and only one drug felony on the second application the Respondent did not disclose the information correctly. The first application answer was false and the Respondent's answer on his other application was only in part correct, i.e. he did have a drug felony conviction but a misrepresentation when he answered no to two drug felony convictions. At the time of both the applications for benefits the Respondent was not eligible for FAP benefits as he was disqualified after his second conviction in December 2005. Respondent certified that the information he provided was true and acknowledged understanding that he could be prosecuted for fraud and be required to repay any benefits wrongfully received by him based on the information he provided.

Respondent's failure to report that he had two felony drug convictions on his redetermination and/or application established that he intentionally withheld information that, if properly disclosed, would have made him ineligible for FAP benefits. Under these circumstances, the Department established by clear and convincing evidence that Respondent committed an IPV in connection with his FAP benefits.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has established by clear and convincing evidence that Respondent committed an IPV. Therefore, the Department is entitled to a finding that Respondent is subject to a disqualification from receiving FAP benefits. As this is Respondent's first IPV he is subject to a one year disqualification.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (October 2015 and January 2016), p. 6; BAM 705 (October and January 2016), p. 6.

In this case, the Department alleged that Respondent was overissued FAP benefits totaling [REDACTED] during the fraud period as set forth in the Finding of Facts paragraphs 6 and 8. The Department presented a Benefits Issuance Summary Inquiry showing that Respondent was issued FAP benefits during the fraud period Exhibit A, p. 46. Because of his two drug felony convictions, Respondent was disqualified from receiving FAP benefits during the fraud period.

Thus, the Department is entitled to recoup and/or collect [REDACTED] from Respondent for overissued FAP benefits for the fraud period.

## **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent **did** receive an OI of program benefits in the amount of [REDACTED] from the following program(s) Food Assistance.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving food assistance for a period of **12 months**.
