Re: Docket No. 18-005130

Dear [REDACTED]

The Michigan Administrative Hearing System (MAHS) is in receipt of your August 9, 2018 fax concerning the July 16, 2018 hearing on the denial of your State Disability Assistance (SDA) application by the Department of Health and Human Services. In your fax, you express concerns about the medical evidence requested in the interim order issued by Administrative Law Judge (ALJ) [REDACTED] following the hearing as well as the manner in which ALJ [REDACTED] conducted the hearing.

A review of the MAHS files shows that no decision has been issued in your matter. Accordingly, a review of your concerns at this time appears to be premature. We request that you resubmit your concerns to MAHS if, after the decision is issued, you continue to believe that either the interim order or the hearing in your case was inadequate. With respect to any decision made on the SDA issue, the Hearing Decision issued by ALJ [REDACTED] will also advise you of your right to request a rehearing or reconsideration.

Thank for your time and for sharing your concerns with us.

Sincerely,

Alice C. Elkin  
Administrative Law Manager  
Michigan Administrative Hearing System
