ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on November 20, 2018, from Lansing, Michigan. The Department was represented by Clarice Bridges, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated [REDACTED] [REDACTED] 2016, Respondent acknowledged his duties and responsibilities including the duty to use Food Assistance Program (FAP) benefits in a manner consistent with the Food and

Nutrition Act of 2008. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 12-19.

2. On [REDACTED], 2017, Respondent made three purchases using his Food Assistance Program (FAP) benefits at a membership warehouse retailer using his own account in the amounts of \$ [REDACTED] at [REDACTED] pm; \$ [REDACTED] at 3: [REDACTED] pm; and \$ [REDACTED] at [REDACTED] pm. Exhibit A, p 26.
3. The Department's OIG filed a hearing request on [REDACTED], 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
4. On [REDACTED], 2018, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 6-9.
5. This was Respondent's first established IPV.
6. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and

- the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
- the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2017), pp 12-13.

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

Federal regulations provide the following definition of intentional program violations:

Definition of intentional Program violation. Intentional Program violations shall consist of having intentionally:

- (1) Made a false or misleading statement, or misrepresented, concealed or withheld facts; or
- (2) Committed any act that constitutes a violation of SNAP, SNAP regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of SNAP benefits or EBT cards.

7 CFR 273.16(c).

Trafficking means:

- (1) The buying, selling, stealing, or otherwise effecting an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone;

(2) The exchange of firearms, ammunition, explosives, or controlled substances, as defined in section 802 of title 21, United States Code, for SNAP benefits;

(3) Purchasing a product with SNAP benefits that has a container requiring a return deposit with the intent of obtaining cash by discarding the product and returning the container for the deposit amount, intentionally discarding the product, and intentionally returning the container for the deposit amount;

(4) Purchasing a product with SNAP benefits with the intent of obtaining cash or consideration other than eligible food by reselling the product, and subsequently intentionally reselling the product purchased with SNAP benefits in exchange for cash or consideration other than eligible food; or

(5) Intentionally purchasing products originally purchased with SNAP benefits in exchange for cash or consideration other than eligible food.

(6) Attempting to buy, sell, steal, or otherwise affect an exchange of SNAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone.

7 CFR 271.2

Respondent acknowledged his duties and responsibilities including the duty to use FAP benefits in a manner consistent with the Food and Nutrition Act of 2008 on an application for assistance dated [REDACTED] 2016. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Trafficking includes the buying, selling or stealing or otherwise effecting an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signature, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. Trafficking also includes attempting to buy, sell, steal, or otherwise affect an exchange of FAP benefits issued and accessed via Electronic Benefit Transfer (EBT) cards, card numbers and personal identification numbers (PINs), or by manual voucher and signatures, for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone. BAM 700, p 2.

FAP trafficking is a fraudulent transfer of benefits that must be established by clear and convincing evidence and must never be presumed. Fraud may be established by circumstantial evidence and can be inferred from the evidence with facts which are inconsistent with an honest person. See *Foodland Distributors v Al-Naimi*, 220 Mich App 453 (1996), p 381.

The record evidence shows that Respondent made purchases using his FAP benefits at a membership warehouse retailer using his own membership. The evidence shows that Respondent purchased food items. While the volume of these purchases was unusually high compared with Respondent's history of purchases, high volume purchases are not unusual at the type of retailer where the purchases were made. Further, while these purchases were unusually high in volume, it was also unusual for Respondent to have such a large balance of available FAP benefits.

This Administrative Law Judge finds that the evidence identifies suspicious and unusual purchases. The evidence does not constitute clear and convincing evidence that Respondent's purchases met the definition of FAP trafficking. Since FAP trafficking has not been established by clear and convincing evidence, neither an IPV nor an overissuance has been established.

The Department has not established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.

2. The Department is ORDERED to delete the OI and cease any recoupment action.
