## ADMINISTRATIVE LAW JUDGE: Ellen McLemore

## HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on October 9, 2019, from Detroit, Michigan. The Department was represented by Craig Curtiss, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

#### **ISSUES**

- 1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
- 2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
- 3. Should Respondent be disqualified from receiving benefits for 12 months?

# FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. The Department's OIG filed a hearing request on 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
- 2. The OIG has requested that Respondent be disqualified from receiving program benefits.
- 3. Respondent was a recipient of FAP benefits issued by the Department.
- 4. Respondent was aware of the responsibility to report changes in income and group size to the Department within 10 days.
- 5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 6. The Department's OIG indicates that the time period it is considering the fraud period is February 1, 2015 through July 31, 2017 (fraud period).
- 7. During the fraud period, Respondent was issued \$12,538 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$12,023 in such benefits during this time period.
- 8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$515.
- 9. This was Respondent's first alleged IPV.
- 10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

# CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - ➢ the group has a previous IPV, or
    - > the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2017), p. 12-13

# Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2018), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of

establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273.16(e)(6). The federal regulations define an IPV as intentionally: (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) committed any act that constitutes a violation of the Supplemental Nutrition Assistance Program (SNAP), SNAP regulations, or any state statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing for trafficking of SNAP benefits or Electronic Benefit Transfer (EBT) cards. 7 CFR 273.16(c). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of his FAP benefits because he failed to notify the Department of two mandatory group members in his household. While this evidence may be sufficient to establish that Respondent may have been overissued benefits, to establish an IPV, the Department must present clear and convincing evidence that Respondent intentionally withheld or misrepresented information for the purpose of maintaining benefits.

In support of its contention that Respondent committed an IPV, the Department presented an application for FAP benefits submitted by Respondent on September 5, 2013. The Department asserts that when completing the application process, Respondent acknowledged that he had received the Information Booklet advising him regarding "Things You Must Do" which explained reporting changes circumstances, including group size.

The Department also presented an application submitted by Respondent on March 9, 2015, and two redeterminations submitted by Respondent on May 18, 2015 and April 22, 2016. In the redeterminations and application, Respondent reported that he was the only member of his household. Additionally, in the May 18, 2015 redetermination, Respondent reported that he lived at **Example 1**, **Example 2**.

Additionally, the Department presented an application submitted to the Department by Respondent's Living Together (LTP) on February 5, 2015. Respondent's LTP reported that the only member of her household was her minor child. However, Respondent's LTP also reported that she was living at **Exercise 1**, **Exercise 1**.

The Department testified that an interview was completed with Respondent and his LTP. Respondent and his LTP admitted that they were living in the same household during the fraud period and that they had a child in common. The Department presented an affidavit signed by Respondent's LTP acknowledging that they were only separated for a maximum period of time of two weeks during the fraud period.

The Department provided sufficient evidence to show that Respondent was living with his LTP and child during the fraud period. Given that Respondent submitted multiple documents to the Department providing false information regarding his household, the Department has established by clear and convincing evidence that Respondent intentionally withheld or misrepresented information for the purpose of maintaining FAP benefits. Thus, Respondent committed an IPV.

#### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (October 2016), p. 1; 7 CFR 273.16(b). Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a 12-month disqualification under the FAP program, as it is his first IPV related to FAP.

#### **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. FAP budget calculations require the consideration of the group size. The Department will determine who must be included in the FAP group prior to evaluating the non-financial and financial eligibility of everyone in the group. BEM 212 (July 2014), p. 1. The FAP group composition is established by determining all of the following: who lives together, the relationship(s) of the people who live together whether the people living together purchase and prepare food together or separately, and whether the person(s) resides in an eligible living situation. BEM 212, p. 6. Living with means sharing a home where family members usually sleep and share any common living quarters such as a kitchen, bathroom, bedroom or living room. Persons who share only an access area such as an entrance or hallway or non-living area such as a laundry room are not considered living together. BEM 212, p. 3. Parents and their children under 22 years of age who live together must be in the same group regardless of whether the child(ren) have their own spouse or child who lives with the group. BEM 212.

As stated above, the Department presented sufficient evidence to establish that Respondent was living with his LTP and their child in common. Therefore, Respondent's LTP and child should have been included in his FAP group. The Department presented overissuance budgets showing the amount of FAP benefits Respondent and his LTP received, and the amount of FAP benefits they should have received, when included in the same group. The total amount of the overissuance was \$1,030. Respondent's portion of the overissuance was \$515. Therefore, the Department has established it is

entitled to recoup the \$515 in FAP benefits it issued to Respondent during the fraud period.

## DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
- 2. Respondent did receive an overissuance of FAP program benefits in the amount of \$515.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$515, less any amounts already recouped/collected, in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
