HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on August 20, 2019, from Lansing, Michigan. The Department was represented by Kelli Owens, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Medical Assistance (MA) and Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated [REDACTED] [REDACTED] 2016, Respondent acknowledged his duties and responsibilities including the duty to report changes of residency and the receipt of benefits from another state. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 11-41.

2. Respondent reported on his [REDACTED] [REDACTED] 2016, application for assistance that he was living in Michigan. Exhibit A, p 13.
3. Respondent received Food Assistance Program (FAP) benefits totaling \$776 from September 1, 2016, through December 31, 2016. Exhibit A, p 54.
4. Respondent received Medical Assistance (MA) with a value of \$2,357.84 from September 1, 2016, through December 31, 2016. Exhibit A, pp 55-56.
5. Respondent began using his Michigan Food Assistance Program (FAP) benefits in Florida on August 31, 2016, and used them exclusively in Florida through December 13, 2016. Exhibit A, pp 47-48.
6. Respondent failed to report starting employment on September 27, 2016, and receiving earned income through January 3, 2017, while reporting a Florida home address to his employer. Exhibit A, pp 51-53.
7. Respondent received food assistance benefits from the state of Florida from September 17, 2016, through January 31, 2018. Exhibit A, pp 49-50.
8. The Department's OIG filed a hearing request on June 5, 2018, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
9. On June 5, 2018, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$3,133.84 overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 6-9.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges
Administrative Manual (BAM) 720 (October 1, 2017), pp 12-13.

Overissuance

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the overissuance. Department of Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2018), p 1.

Concurrent receipt of benefits means assistance received from multiple programs to cover a person's needs for the same time period. Benefit duplication means assistance received from the same (or same type of) program to cover a person's needs for the same month. Benefit duplication is prohibited except for MA and FAP in limited circumstances. Department of Health and Human Services Bridges Eligibility Manual (BEM) 222 (October 1, 2018), p 3.

An individual found to have made a fraudulent statement or representation with respect to the identity or place of residence of the individual in order to received multiple SNAP benefits simultaneously shall be ineligible to participate in the Program for a period of 10 years. 7 CFR 273(b)(5).

On an application for assistance dated [REDACTED] [REDACTED] 2016, Respondent acknowledged the duties and responsibilities of receiving FAP and MA benefits. Respondent reported on his [REDACTED] [REDACTED] 2016, application form that he was living in Michigan. The evidence supports a finding that Respondent truthfully reported that he was living in Michigan on [REDACTED] [REDACTED] 2016.

Respondent went to Florida, which was established by his exclusive use of Michigan FAP benefits in Florida from August 31, 2016, through December 13, 2016. Respondent failed to report starting employment on September 17, 2016, and receiving earned income through January 3, 2017, and beyond, while reporting a Florida home address to his employer.

Respondent applied for and received food assistance from the state of Florida from [REDACTED] [REDACTED] 2016, through [REDACTED] [REDACTED] 2018. The evidence supports a finding that he was in Florida when he applied for Florida benefits and truthfully reported where he was living when he applied for Florida benefits.

However, Respondent was not eligible for any Michigan FAP benefits in months that he was concurrently receiving Florida food assistance. Respondent received FAP benefits totaling \$776 from September 1, 2016, through December 31, 2016, and was not eligible for any of those benefit because he was concurrently receiving Florida food assistance. Therefore, Respondent received a \$776 overissuance of FAP benefits. Respondent also received MA benefits with a value of \$2,357.84 while concurrently receiving benefits in Florida. Therefore, Respondent received a \$2,357.84 overissuance of MA benefits as well.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding the reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits the understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273.16(e)(6).

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Respondent acknowledged the duties and responsibilities of receiving FAP and MA benefits on an application for assistance dated March 16, 2016. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent truthfully reported that he was living in Michigan on March 16, 2016.

Respondent left Michigan and began using his FAP benefits exclusively in Florida. While in Florida, Respondent started employment and applied for Florida food assistance. Respondent received Florida food assistance concurrently to his Michigan FAP and MA benefits, which caused an overissuance of Michigan benefits.

Respondent had a duty to report his receipt of Florida food assistance while receiving Michigan benefits. This Administrative Law Judge finds that the Department has presented clear and convincing evidence that Respondent intentionally failed to report information needed to make a correct benefit determination.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as the disqualified person lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (January 1, 2018), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The Department has established an Intentional Program Violation (IPV).

A ten-year disqualification is appropriate in this case due to the concurrent receipt of benefits.

A twelve-month disqualification from the Food Assistance Program (FAP) is appropriate in this case because although Respondent did receive concurrent food assistance, he did not make a fraudulent statement or representation with respect to identify or place of residence. 7 CFR 273(b)(5). Respondent intentionally failed to report information to Michigan resulting in an overissuance of Michigan benefits, but truthfully reported where he was living on his application form.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$776.
3. Respondent did receive an OI of Medical Assistance (MA) benefits in the amount of \$2,357.84.
4. The Department is ORDERED to initiate recoupment procedures for the amount of \$3,133.84 in accordance with Department policy.
5. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
