**ADMINISTRATIVE LAW JUDGE:** Aaron McClintic

### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on August 15, 2019, from Lansing, Michigan. The Department was represented by Daniel Beck, Regulation Agent of the Office of Inspector General (OIG). Department Exhibit 1, pp. 1-60 was received and admitted.

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

### **ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for one year?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 26, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to not traffic benefits.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is February 19, 2017 through February 19, 2019 (fraud period).
7. During the fraud period, Respondent was issued \$490 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$490.
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.
11. Respondent purchased 14 cases of [REDACTED] for \$490 on February 19, 2017.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2015),

### **Intentional Program Violation**

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720 (October 2015), p. 1. Trafficking is defined as actually or attempting to buy, sell, or steal FAP benefits for cash or consideration other than eligible food. BAM 700 (October 2015), p. 2; 7 CFR 271.2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. BAM 720, p. 1; see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence, which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, the Department has met its burden. After an investigation, the Department determined that Respondent engaged in fraud with respect to redeeming FAP benefits. The investigation showed that Respondent purchased 14 cases (336 cans) of ██████████ for \$490 with his EBT card. The OIG agent explained that ██████████ is easily sold on the black market and purchases this large are presumed to be trafficking. It is unlikely that

Respondent was buying the [REDACTED] for his personal consumption due to the large quantity. The sale was not a bulk discounted sale. Respondent did not appear at hearing or respond to inquiries from the OIG agent to explain his purchase.

During the hearing, the Department presented Respondent's FAP usage history and issuance summary. Besides the transactions in question, Respondent's FAP usage appeared to be ordinary.

Respondent did not appear at the hearing to provide any explanation for his large purchase of Red Bull. Accordingly, the Department's unrebutted testimony and exhibits established by clear and convincing evidence that Respondent engaged in unlawful FAP trafficking. BAM 700 (October 2015), p. 2; 7 CFR 271.2.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, pp. 15-16; 7 CFR 273.16(b). In general, Clients are disqualified for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16.

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a one-year disqualification and removal from the FAP group.

### **Overissuance**

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1; 7 CFR 273.18. The OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by: (1) a court decision; (2) the individual's admission; or (3) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. BAM 720, p. 8; 7 CFR 273.18(c)(2). In this case, the evidence shows that Respondent \$490 purchase of Red Bull was trafficking. The total value of the purchase was \$490. Thus, Respondent was overissued \$490.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$490 from the following program(s) FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$490 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
