**ADMINISTRATIVE LAW JUDGE:** Landis Lain

### **HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on February 6, 2020, from Lansing, Michigan. The Department was represented by Daniel Beck, Regulation Agent of the Office of Inspector General (OIG).

Department's Exhibit A pages 1-41 were admitted as evidence.

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

### **ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on October 15, 2019, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to use FAP benefits in appropriate manner.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is April 17, 2018-April 17, 2018 (fraud period).
7. During the fraud period, Respondent was issued \$560.85 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$560.85.
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
  - the total amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (10/1/2017)(Emphasis added).

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The Respondent intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The Respondent was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The Respondent has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 700, p 7 (10/01/2018); BAM 720, p 1 (10/1/2017).

An IPV requires that the Department establish by clear and convincing evidence that the Respondent has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720; see also 7 CFR 273. Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

### **Disqualification**

A Respondent who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 2. Respondents are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p 16. CDC Respondents who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p 1 (4/1/2016). A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 16.

This was Respondent's first instance of an IPV. Therefore, a 12-month disqualification is required.

### **Overissuance**

**When a Respondent group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p 1 (1/1/2016).**

**Clear and convincing** proof means that the **evidence** presented by a party during the trial must be highly and substantially more probable to be true than not and the trier of fact must have a firm belief or conviction in its factuality.

This Administrative Law Judge finds:

- The Department received information from Gordon's Food Service that the Respondent made a large purchase of Red Bull with her EBT card.
- A review of the Respondent's IG 311 showed that on April 17, 2018 the Respondent made a transaction for \$560.85 at the Clinton Township GFS.
- The Department OIG Agent obtained the store receipt from GFS which showed that the Respondent used her EBT card (# [REDACTED]) to purchase \$560.85 worth of Red Bull.
- The receipt shows that fifteen cases (360 cans) of Red Bull were purchased. There was no longer store video available when the Department was given the information.
- The IG 311 showed that the Respondent made numerous transactions in Ohio before and after the purchase.
- The Respondent completed a Bridges application on July 27, 2016 claiming a group size of three and no disability.

- The Respondent completed a Bridges application on [REDACTED] 2018 that lists her address as 4660 Devonshire.
- The Respondent received \$760 in FAP in April 2018 plus a \$113 supplemental payment, the same month she spent \$560.85 on Red Bull.
- The Respondent spent 64% of her FAP on Red Bull in April 2018.
- On December 17, 2018 an administrative letter was mailed to the subject. The subject did not respond to the letter. The OIG Agent located a phone number of (313) 784-6639 for the subject in Bridges on the most current application. The number was not a working number when the agent called it on October 12, 2019.
- A check of CLEAR showed that the subject's most current addresses were [REDACTED], MI [REDACTED] and 1 [REDACTED], OH [REDACTED]
- On October 15, 2019 the OIG agent responded to [REDACTED] and discovered that the house was vacant. The last time the subject received FAP was in April 2018.

The Department has established by the necessary competent, substantial and material evidence on the record that it was acting in compliance with Department policy when it determined that Respondent used FAP benefits for an unauthorized transaction and when it determined that Respondent committed and Intentional Program Violation.

### **DECISION AND ORDER**

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$560.85.

The Department is ORDERED to initiate recoupment procedures for the amount of \$560.85 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving FAP benefits for the requested twelve months in accordance with Department policy.
