ISSUE

Did the Department properly determine Petitioner's Food Assistance Program (FAP) monthly allotment?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is an FAP benefits recipient.
2. Petitioner was receiving \$15.00 per month in FAP for a one-person group.
3. On April 23, 2019, Petitioner provided the Department with documentation that she gained custody of her minor child (son).
4. Petitioner also told the Department that her daughter was living with her.
5. The Department caseworker told Petitioner to provide proof of the daughter residing with her because the children were on their father's FAP case.

6. The Department did not change Petitioner's FAP until October 2019 and then changed Petitioner's FAP group to three people as of November 2019.
7. Petitioner is now receiving \$370.00 in FAP benefits for herself and two minor children.
8. The Department Representative conceded on the record that the Department should have considered changing the FAP allotment in May 2019 forward.
