MOAHR Docket No.: 19-012526  
Agency No.: [REDACTED]  
Petitioner: OIG  
Respondent: [REDACTED]

**ADMINISTRATIVE LAW JUDGE: John Markey**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on January 6, 2020 from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent appeared and represented himself. During the hearing, a 71-page packet of documents was offered and admitted into evidence as Exhibit A, pp. 1-71.

**ISSUES**

1. Did Respondent traffic Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) with respect to FAP?
3. Should Respondent be disqualified from receiving FAP benefits?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent filed with the Department an application for FAP benefits on [REDACTED] 2015. Exhibit A, pp. 54-55.

2. As part of the application process, Respondent was provided with and required to acknowledge understanding of the rights and responsibilities with respect to the FAP. Exhibit A, p. 55.
3. The rights and responsibilities information included a pamphlet that advised Respondent that trading or selling FAP benefits was considered FAP trafficking and that such action violated the law and if proven, would result in criminal and/or civil penalties, including disqualification from the program. Exhibit A, pp. 56-57.
4. Respondent was approved for and received monthly FAP benefits from the Department during all times relevant to this matter. Exhibit A, p. 52.
5. At some point, the United States Food and Nutrition Service (FNS) conducted an investigation of a store named [REDACTED]. At the conclusion of the investigation, FNS issued to [REDACTED] an August 30, 2017 letter informing the store that it was permanently disqualified from FAP as a result of FNS' finding that the store had engaged in FAP trafficking. Exhibit A, pp. 12-43.
6. As a result of FNS' finding that [REDACTED] engaged in widespread FAP trafficking, the Department conducted an investigation into some of the clients who made purchases at the stores.
7. From March 1, 2016 through July 26, 2017, Respondent made 36 purchases at [REDACTED]. Nineteen of those 36 purchases were flagged by the Department as fraudulent due to meeting the Department's criteria for trafficking at that particular store. Exhibit A, pp. 66-68.
8. On October 29, 2019, the Department's OIG filed a hearing request to establish that Respondent committed an IPV by engaging in 19 fraudulent transactions at [REDACTED] from March 1, 2016 through July 26, 2017, totaling \$284.68. The Department seeks an order requiring Respondent to repay the amount allegedly trafficked. Exhibit A, pp. 1-9; 66-68.
9. The Department's OIG indicates that the time period it is considering the fraud period is March 1, 2016 through July 26, 2017. Exhibit A, pp. 1-9.
10. The Department alleges that Respondent trafficking in FAP benefits in the amount of \$284.68. Exhibit A, pp. 1-9.
11. This was Respondent's first alleged IPV, and the OIG requested Respondent be disqualified from receiving FAP benefits for one year. Exhibit A, pp. 1-9; 70-71.
12. The Notice of Hearing sent to Respondent's most recent address on file was not returned as undeliverable.

## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp Program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department has alleged that 19 of Respondent's purchases at █████ during the alleged fraud period were instances of trafficking. The Department is seeking an order finding Respondent committed an IPV with respect to FAP and requiring Respondent to repay the amount allegedly trafficked.

### **Intentional Program Violation**

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720 (May 2014), p. 2. Trafficking is defined as actually or attempting to buy, sell, or steal FAP benefits for cash or consideration other than eligible food. BAM 700 (May 2014), p. 2; 7 CFR 271.2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. BAM 720, p. 1; see also 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, the Department has not met its burden. After an investigation, FNS determined that █████ engaged in wide-ranging fraud with respect to accepting and redeeming FAP benefits. The investigation showed that MPS had limited food inventory, no carts or baskets, and a bulletproof barrier that would have made it difficult to carry out large transactions. The Department established that Respondent made 19 suspicious transactions at MPS.

Respondent, however, credibly testified that he only purchased eligible food products at █████, and the Department had no direct evidence to contradict Respondent's claims. Respondent's credible and consistent testimony was sufficient to rebut the presumption and prevent the forming of a firm belief that Respondent, in fact, engaged in FAP trafficking. Accordingly, the Department failed to establish by clear and convincing evidence that Respondent engaged in unlawful FAP trafficking.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, pp. 15-16; 7 CFR 273.16(b). In general, Clients are disqualified for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16.

In this case, the Department did not establish that Respondent committed an IPV related to FAP benefits. Therefore, Respondent is not subject to disqualification.

### **Repayment**

The amount the Department is entitled to recoup and/or collect for trafficking-related IPV is the value of the trafficked benefits as determined by: (1) a court decision; (2) the individual's admission; or (3) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. BAM 720, p. 8; 7 CFR 273.18(c)(2). In this case, there was no IPV for trafficking. Thus, the Department is not entitled to recoup and/or collect from Respondent.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department did not establish by clear and convincing evidence that Respondent committed an IPV.
2. The Department is not entitled to recoup and/or collect from Respondent.
3. Respondent is not subject to a disqualification from receiving FAP benefits.

IT IS ORDERED that the Department shall delete the alleged FAP overissuance involved in this case.

IT IS FURTHER ORDERED that Respondent is not disqualified from receiving FAP benefits.
