HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on December 19, 2019, from Lansing, Michigan. The Petitioner was represented by Petitioner, [REDACTED]. The Department of Health and Human Services (Department or Respondent) was represented by Melinda Trawick, Family Independence Manager and Deslyn Griffin, Assistance Payments Worker.

Petitioner's Exhibit 1 and Respondent's Exhibit A page 24 were admitted as evidence.

ISSUE

Did the Department properly cancel Petitioner's Medical Assistance (MA)?

Did the Department properly reduce Petitioner's Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was FAP and MA benefit recipient.
2. On September 9, 2019, Petitioner submitted a DHS-1046 semi-annual report indicating no changes in his circumstances.
3. On October 4, 2019, the Department sent Petitioner a DHS-1010 Redetermination form with information due by November 4, 2019.
4. On October 20, 2019, Petitioner's son turned 18.

5. Petitioner's son was employed. Once he turned 18 his income was required to be counted for FAP benefit eligibility.
6. On November 15, 2019, the Department sent Petitioner a Healthcare Coverage Determination Notice indicating that Petitioner's Medical Assistance case was cancelled because Petitioner failed to return the redetermination information in a timely manner.
7. On November 18, 2019, Petitioner filed a Request for hearing to contest the Department's negative action.
8. For November 2019, Petitioner's FAP benefits were reduced.
9. On December 5, 2019, the Michigan Office of Administrative Hearings and Rules received a Hearing Summary and attached documents from the Department.

CONCLUSIONS OF LAW

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a Department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Pertinent Department policy indicates:

Bridges will help determine who must be included in the Food Assistance Program (FAP) group prior to evaluating the non-financial and financial eligibility of everyone in the group. Food Assistance Program group composition is established by determining all of the following:

1. Who lives together?
2. The relationship(s) of the people who live together.
3. Whether the people living together purchase and prepare food together or separately.
4. Whether the person(s) resides in an eligible living situation; see LIVING SITUATIONS in this item.

Children include natural, step and adopted children. Parents and their children under 22 years of age who live together must be in the same group regardless of whether the child(ren) have their own spouse or child who lives with the group. BEM 213, pages 1-2

This disregard applies to all sources of earned income including wages and training income. It ends the month after the student stops meeting a requirement (Example: month after reaching age 18).

For FAP purposes, Bridges disregards the earnings of an individual who is all of the following:

- Under age 18.
- Attending elementary, middle or high school including attending classes to obtain a GED.
- Living with someone who provides care or supervision. BEM 501, page 2

This Administrative Law Judge finds that the Department must count Petitioner's son's income, unless Petitioner establishes the this 18-year-old son retains student status and is entitled to an exclusion per policy. There has been no exclusion established on the record.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Pertinent Department policy dictates:

All Programs Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- Required by policy. Bridges Eligibility Manual (BEM) items specify which factors and under what circumstances verification is required.
- Required as a local office option. The requirement must be applied the same for every client. Local requirements may not be imposed for Medicaid Assistance (MA).
- Information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party.

Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level. (Bridges Administrative Manual (BAM) 130, page 1)

Medicaid

Allow the client 10 calendar days (or other time limit specified in policy) to provide the verification requested. Refer to policy in this item for citizenship verifications. If the client cannot provide the verification despite a reasonable effort, extend the time limit up to two times.

At renewal if an individual is required to return a pre-populated renewal form, allow 30 calendar days for the form to be returned.

At application, renewal, ex parte review, or other change, explain to the client/authorized representative the availability of your assistance in obtaining needed information. Extension may be granted when the following exists:

- The customer/authorized representative need to make the request. An extension should not automatically be given.
- The need for the extension and the reasonable efforts taken to obtain the verifications are documented.
- Every effort by the department was made to assist the client in obtaining verifications. (BEM 130, page 8)

In this case, the evidence establishes that the redetermination form and required documentation was not received by the Department as requested. Petitioner has not established good cause for her failure to return the information to the Department. The Department's case is established by a preponderance of the evidence presented. Petitioner's must report changes in status within ten days of those changes, which Petitioner did not do.

A preponderance of evidence is evidence which is of a greater weight or more convincing than evidence offered in opposition to it. It is simply that evidence which

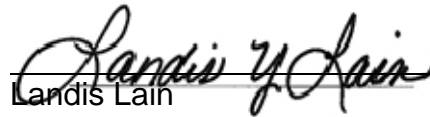

outweighs the evidence offered to oppose it *Martucci v Detroit Commissioner of Police*, 322 Mich 270; 33 NW2d 789 (1948).

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department has established by the necessary competent, material and substantial evidence on the record that it acted in accordance with Department policy when it cancelled Petitioner's Medical Assistance Program benefits when Petitioner failed to provide requested redetermination documentation in a timely manner and when it reduced Petitioner's FAP benefits because Petitioner's son turned 18 and his income became countable for FAP group eligibility.

Accordingly, the Department's decision is **AFFIRMED**.
