ADMINISTRATIVE LAW JUDGE: John Markey

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Title 7 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16. After due notice, a telephone hearing was held on January 16, 2020 from Detroit, Michigan. The Department was represented by Mark Mandreky, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear. The hearing was held in Respondent's absence pursuant to 7 CFR 273.16(e). During the hearing, a 111-page packet of documents was offered and admitted into evidence as Exhibit A, pp. 1-111.

ISSUES

1. Did Respondent traffic Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) with respect to FAP?
3. Should Respondent be disqualified from receiving FAP benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent filed with the Department an application for FAP benefits on [REDACTED], 2015. Exhibit A, pp. 13-41.

2. As part of the application process, Respondent was provided with and required to acknowledge understanding of the rights and responsibilities with respect to the FAP. Exhibit A, p. 23.
3. The rights and responsibilities information included a pamphlet that advised Respondent that trading or selling FAP benefits was considered FAP trafficking and that such action violated the law and if proven, would result in criminal and/or civil penalties, including disqualification from the program. Exhibit A, pp. 30-32; 93-110.
4. Respondent did not have a mental or physical impairment that would limit his understanding or ability to fulfill his obligations regarding his FAP benefits.
5. Respondent was approved for and received monthly FAP benefits from the Department during all times relevant to this matter. Exhibit A, p. 44.
6. At some point, the United States Food and Nutrition Service (FNS) conducted an investigation of a store named [REDACTED]. At the conclusion of the investigation, FNS issued to [REDACTED] an October 6, 2016 letter informing the store that it was permanently disqualified from FAP as a result of FNS' finding that the store had engaged in FAP trafficking. Exhibit A, pp. 53-92.
7. As a result of FNS' finding that [REDACTED] engaged in widespread FAP trafficking, the Department conducted an investigation into some of the clients who made purchases at the stores.
8. On December 19, 2015, Respondent made one purchase at [REDACTED] that was flagged by the Department as fraudulent due to meeting the Department's criteria for trafficking at that particular store. Exhibit A, p. 49.
9. On [REDACTED] 2019, the Department's OIG filed a hearing request to establish that Respondent committed an IPV by engaging in one fraudulent transaction at [REDACTED] on December 19, 2015, totaling [REDACTED]. The Department seeks an order requiring Respondent to repay the amount allegedly trafficked. Exhibit A, pp. 1-9; 49.
10. The Department's OIG indicates that the time period it is considering the fraud period is December 1, 2015 through December 31, 2015. Exhibit A, pp. 1-9.
11. The Department alleges that Respondent trafficking in FAP benefits in the amount of [REDACTED]. Exhibit A, pp. 1-9.
12. This was Respondent's first alleged IPV, and the OIG requested Respondent be disqualified from receiving FAP benefits for one year. Exhibit A, pp. 1-9; 46-47.

13. Respondent did not appear at the hearing to rebut any of the Department's allegations.
14. The Notice of Hearing sent to Respondent's most recent address on file was not returned as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp Program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department has alleged that Respondent's suspicious purchase at ■■■ from on December 19, 2015 was an instance of FAP trafficking. The Department is seeking an order finding Respondent committed an IPV with respect to FAP and requiring Respondent to repay the amount allegedly trafficked.

Intentional Program Violation

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720 (May 2014), p. 2. Trafficking is defined as actually or attempting to buy, sell, or steal FAP benefits for cash or consideration other than eligible food. BAM 700 (May 2014), p. 2; 7 CFR 271.2.

An IPV requires that the Department establish by clear and convincing evidence that the client has trafficked FAP benefits. BAM 720, p. 1; see also 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence which is so clear, direct, weighty, and convincing that it enables a firm belief as to the truth of the allegations sought to be established. *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995) (citing *In re Jobes*, 108 NJ 394 (1987)).

In this case, the Department has met its burden. After an investigation, FNS determined that ■■■ engaged in wide-ranging fraud with respect to accepting and redeeming FAP benefits. The investigation showed that ■■■ was a completely bogus and fraudulent operation that did not even make an effort to appear legitimate. The company purported to be a mobile food delivery service that specialized in bulk frozen meats. However, a site inspection showed that the company van was completely immobile with no means of keeping food frozen. Based on the photographs and

accompanying investigative report, it is clear that ATI was not engaging in legitimate business.

The Department established that Respondent made one large EBT transaction with [REDACTED] on December 19, 2015 for \$[REDACTED]. During the hearing, the Department presented Respondent's FAP usage history and issuance summary. Besides the transaction in question, Respondent's FAP usage appeared to be ordinary. The transaction in question, however, was far from ordinary.

As [REDACTED] was not a legitimate business and had no inventory to speak of along with no way to prevent the spoilage of any hypothetical inventory, it is highly unlikely that a nearly \$[REDACTED] purchase was anything other than fraud. The evidence shows that Respondent completed a ridiculously high-value transaction at a "store" that was proven to be engaged in a brazenly fraudulent scheme to traffic FAP benefits during the same time. Respondent did not appear at the hearing to provide any explanation for his EBT transaction at [REDACTED]. Accordingly, the Department's un rebutted testimony and exhibits established by clear and convincing evidence that Respondent engaged in unlawful FAP trafficking.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, pp. 15-16; 7 CFR 273.16(b). In general, Clients are disqualified for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16.

In this case, there is no evidence that Respondent has ever been found to have committed an IPV related to FAP benefits. Thus, this is Respondent's first IPV related to FAP benefits. Therefore, Respondent is subject to a one-year disqualification.

Repayment

The amount the Department is entitled to recoup and/or collect for trafficking-related IPV is the value of the trafficked benefits as determined by: (1) a court decision; (2) the individual's admission; or (3) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. BAM 720, p. 8; 7 CFR 273.18(c)(2). In this case, the evidence shows that Respondent completed one transaction that qualified as trafficking. The total value of that one transaction was [REDACTED]. Thus, the Department is entitled to recoup and/or collect from Respondent \$[REDACTED].

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department established by clear and convincing evidence that Respondent committed an IPV with respect to FAP.
2. The Department is entitled to recoup and/or collect the total of [REDACTED] as a result of Respondent's unlawful trafficking of that amount of FAP benefits.
3. Respondent shall be disqualified from receiving FAP benefits for a period of one year.

IT IS ORDERED that the Department is authorized to initiate recoupment and/or collection procedures for the amount of [REDACTED] less any amounts already recouped and/or collected.

IT IS FURTHER ORDERED that Respondent is disqualified from receiving FAP benefits for a period of one year.
