**HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on September 1, 2020, from Lansing, Michigan. The Department was represented by Dawn Odell, #146 of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on January 9, 2020, to establish an OI of benefits received by Respondent as a result of Respondent having received concurrent program benefits and, as such, allegedly committed an IPV.
2. Respondent was a recipient of MA benefits issued by the Department. Department Exhibit 1, pgs. 61-62.
3. On the Online Assistance Application, DHS-1171, submitted by Respondent on [REDACTED], Respondent reported that he intended to stay in Michigan. The Health Care Coverage Determination Notice, DHS-1606, notified Respondent that he was approved for MA benefits and to report any household changes to the Department within 10 days. Department Exhibit 1, pgs. 7-35.
4. Respondent was aware of the responsibility to report changes in his residence to the Department.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The OIG indicates that the time period they are considering the fraud period is October 1, 2017, through October 31, 2018.
7. During the alleged fraud period, Respondent was issued \$8,351.27 in MA benefits from the State of Michigan.
8. During the alleged fraud period, Respondent was issued MA benefits from the State of Nevada beginning on April 1, 2018, through April 30, 2019. Department Exhibit 1, pgs. 41-56. In addition, he changed his address with the Social Security Administration on August 16, 2017, registered his car on March 28, 2018, and got a Voter Registration Card on March 28, 2018, for Nevada. Department Exhibit 1, pgs. 57-60.
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700; BAM 720.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, (emphasis in original); see also 7 CFR 273.16(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, BEM 708. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700.

In this case, Respondent was a recipient of MA benefits issued by the Department. Department Exhibit 1, pgs. 61-62. On the Online Assistance Application, DHS-1171, submitted by Respondent on [REDACTED], Respondent reported that he intended to stay in Michigan. The Health Care Coverage Determination Notice, DHS-1606, sent on May 8, 2017, notified Respondent that he was approved for MA benefits and to report any household changes to the Department within 10 days. Department Exhibit 1, pgs. 7-35.

The OIG indicates that the time period they are considering the fraud period is October 1, 2017, through October 31, 2018. During the alleged fraud period, Respondent was issued \$8,351.27 in MA benefits from the State of Michigan. During the alleged fraud period, Respondent was issued MA benefits from the State of Nevada beginning on April 1, 2018, through April 30, 2019. Department Exhibit 1, pgs. 41-56. In addition, he changed his address with the Social Security Administration on August 16, 2017,

registered his car on March 28, 2018, and got a Voter Registration Card on March 28, 2018 for Nevada. Department Exhibit 1, pgs. 57-60. This was Respondent's **first** alleged IPV.

During the alleged fraud period, Respondent was issued MA benefits from the State of Nevada. In addition, the Respondent received concurrent benefits from the State of Michigan and the State of Nevada during the contested time period. Respondent failed to report his change of residency to the State of Nevada to the Department, which resulted in his receiving an overissuance \$8,351.27 in MA benefits that the Department is required to recoup during the contested time period.

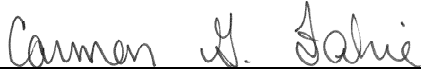

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of MA benefits in the amount of \$8,351.27.

The Department is ORDERED to initiate recoupment/**collection** procedures for the amount of \$8,351.27 in accordance with Department policy.
