HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on November 5, 2020, from Lansing, Michigan. The Department was represented by Julie Price, Regulation Agent of the Office of Inspector General (OIG). The Respondent was represented by Respondent [REDACTED].

Department's Exhibits 1-10 (pages 1-40) were admitted as evidence

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Respondent receive an overissuance (OI) of Medical Assistance (MA) benefits that the Department is entitled to recoup?
3. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
4. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 1, 2020, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP and MA benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report income within ten days.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2017 - February 28, 2018 (fraud period).
7. During the fraud period, Respondent was issued \$2,854.00 in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. During the fraud period, Respondent was issued \$4,039.59 in MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
9. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$2,854.00.
10. The Department alleges that Respondent received an OI in MA benefits in the amount of \$4,039.59.
11. This was Respondent's **first** alleged IPV.
12. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP

pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016)(Emphasis added).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The Respondent intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The Respondent was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The Respondent has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 700, p 7 (1/1/2016; BAM 720, p 1 (1/1/2016)).

An IPV requires that the Department establish by clear and convincing evidence that the Respondent has intentionally withheld or misrepresented information for the **purpose** of

establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720; see also 7 CFR 273. Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A Respondent who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 2. Respondents are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p 16. CDC Respondents who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p 1 (4/1/2016). A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 16.

This was Respondent's first instance of an IPV. Therefore, a 12-month disqualification is required.

Overissuance

When a Respondent group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p 1 (1/1/2016).

Clear and convincing proof means that the **evidence** presented by a party during the trial must be highly and substantially more probable to be true than not and the trier of fact must have a firm belief or conviction in its factuality.

This Administrative Law Judge finds:

Respondent signed an Assistance Application (DHHS-1010) Redetermination dated February 22, 2017, acknowledging his right and responsibilities to report changes, (Exhibit #1).

Respondent was mailed a Notice of Case Action (DHHS-1605) on March 13, 2017, notifying him of the information the Department used to calculate the household FAP benefits and when to report changes, (Exhibit #2). Respondent was also sent a Determination Notice (DHHS-1606) on January 23, 2018, (Exhibit #3). The fraud referral alleges Respondent, [REDACTED] did not properly report receiving a lump sum. As stated in BAM 105, the household was required to report any change in income within 10 days.

A review of Department case comments and client contact documentation indicates at no time during the alleged Intentional Program Violation, (IPV) period did Respondent properly report the change to the Department, (Exhibit #5).

During the alleged IPV period Respondent was receiving FAP benefits and MA benefits, (Exhibit #6 & 7).

The subject received a lump sum amount of \$83,657.44 with the first check dated June 12, 2017. (Exhibit #4). After allowing Department mandated reporting and processing time, (10-10-12), the alleged IPV and established client error over issuance is from August 1, 2017, to February 28, 2018. Both the Medicaid and Food Assistance Program cases are complete overissuances for the time period listed. FAP OI is \$2,854 and MA is \$4,039.59.

The Department has established by the necessary competent, substantial and material evidence on the record that it was acting in compliance with Department policy when it determined that Respondent failed to notify the Department of lump sum income in a timely manner and when it determined that Respondent committed an Intentional Program Violation.

DECISION AND ORDER

The Administrative Law Judge based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$2,854.00.
3. Respondent did receive an OI of MA benefits in the amount of 4,039.59.

The Department is ORDERED to initiate recoupment procedures for the amount of \$6,893.59 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving FAP benefits for the requested 12 months in accordance with Department policy.
