DEPARTMENT OF HUMAN SERVICES**

**IN THE MATTER OF:**

Reg. No.: 14-008784  
Issue No.: 3005  
Case No.: [REDACTED]  
Hearing Date: December 10, 2014  
County: WAYNE-DISTRICT 76  
(GRATIOT/SEVEN M)

**ADMINISTRATIVE LAW JUDGE: Eric Feldman**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on December 10, 2014, from Detroit, Michigan. The Department was represented by Derrick Inman, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of  
 Family Independence Program (FIP)     State Disability Assistance (SDA)  
 Food Assistance Program (FAP)     Child Development and Care (CDC)  
 Medical Assistance (MA)  
benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for  
 Family Independence Program (FIP)?     State Disability Assistance (SDA)?  
 Food Assistance Program (FAP)?     Child Development and Care (CDC)?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG  has  has not requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of  FIP  FAP  SDA  CDC  MA benefits issued by the Department.
4. Respondent  was  was not aware of the responsibility that trafficking of benefits is unlawful and a violation of policy and could result in a disqualification from receipt of future benefits and recoupment of issued benefits.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], 2010 to [REDACTED], 2011 (fraud period).
7. The Department alleges that Respondent trafficked \$662.52 in  FIP  FAP  SDA  CDC  MA benefits.
8. This was Respondent's  first  second  third alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and  was  was not returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and

is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
  - the total OI amount is less than \$1000, **and**
    - the group has a previous IPV, **or**
    - the alleged IPV involves FAP trafficking, **or**
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
    - the alleged fraud is committed by a state/government employee.

BAM 720 (May 2014), pp. 12-13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she trafficked \$662.52 from [REDACTED], 2010 to [REDACTED], 2011.

BAM 700 defines trafficking as:

- The buying or selling of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances.
- Selling products purchased with FAP benefits for cash or consideration other than eligible food.
- Purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits.

BAM 700, p. 2.

Additionally, BEM 203 states that these FAP trafficking disqualifications are a result of the following actions:

- Fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or
- Redeeming or presenting for payment coupons known to be fraudulently obtained or transferred.

BEM 203 (January 2009), p. 2.

The Department's argument against Respondent for trafficking FAP benefits is as follows:

- there exists a food store (hereinafter referred to as "Store "), where the United States Department of Agriculture ("USDA") conducted an investigation at the Store regarding food trafficking and determined that the Store was engaged in food trafficking and ultimately led to the Store's permanent disqualification from the Supplemental Nutrition Assistance Program (SNAP);

- Store has a limited supply of food and counter space where it is unlikely that someone would make regular and/or large purchases of food;
- over a period of time, Respondent had high dollar and/or closely related transactions at the Store which is consistent with traditional trafficking patterns; and
- thus, Respondent trafficked FAP benefits.

First, the Department presented evidence from the USDA that the Store engaged in FAP trafficking, which resulted in the Store's permanent disqualification from SNAP on [REDACTED], 2011. See Exhibit 1, pp. 16-19.

Second, the Department testified that the Store carries a large non-food inventory including tobacco, paper products, gift items, magazines, cookware, etc. See Exhibit 1, p. 1. The Department testified the register is located behind a plastic barrier with a turnstile and very limited counter space. The Department testified the Store does not carry any fresh meats, produce, or frozen foods, other than individual ice cream treats. In summary, the Department infers that the Store did not have the food items or the physical means to support high dollar transactions and/or purchases in a short time period.

Third, to establish that Respondent trafficked her FAP benefits at the Store, the Department relied on Respondent's FAP transaction history. See Exhibit 1, p. 42. The Department testified that the Store owners agreed that any transaction over \$60.00 and even dollar transactions are suspicious of being involved in FAP transaction. See Exhibit 1, p. 1.

For example, on [REDACTED], 2010 and [REDACTED], 2010, Respondent made a large purchase for the same amount of \$102.96. See Exhibit 1, p. 42. Also, on [REDACTED], 2011, Respondent made another purchase in the amount of \$102.33. See Exhibit 1, p. 42. On [REDACTED], 2011, Respondent conducted two transactions, which totaled \$104.20. See Exhibit 1, p. 42. Then, on the next day, Respondent made another transaction for \$65.29. See Exhibit 1, p. 42.

Based on the foregoing information and evidence, the Department has established that Respondent committed an IPV involving her FAP benefits. The Department's main argument was based on her FAP transaction history, which presented persuasive evidence that Respondent committed an IPV involving her FAP benefits. The Department did present several transactions that were suspicious. Respondent's EBT history showed numerous instances of FAP trafficking at the Store, including multiple high dollar purchases that are excessive for a Store of this size and closely related purchases in a short period of time. This evidence is persuasive to conclude that the Respondent is involved in trafficking.

In summary, the Department established by clear and convincing evidence that Respondent trafficked her FAP benefits at the Store. A review of the evidence

presented large transactions and/or closely related transactions at the Store that the Respondent could not reasonably purchase food items for consumption. Thus, the Department has established that Respondent committed an IPV involving her FAP benefits.

### **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, pp. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is subject to a disqualification under the FAP program. BAM 720, p. 16.

### **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

For FAP trafficking, the OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

- The court decision.
- The individual's admission.
- Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

BAM 720, p. 8

In this case, the Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], 2010 to [REDACTED], 2011 and that Respondent trafficked \$662.52 between this time period. However, a review of Respondent's EBT history resulted in a greater OI amount. The Department testified that it included any transactions over \$60, even dollar amounts, and multiple transactions conducted on the

same day. See Exhibit 1, p. 42. Nevertheless, this Administrative Law Judge (ALJ) will not increase the OI amount as the Department only notified Respondent of an OI amount totaling \$662.52. See IPV Repayment Agreement dated [REDACTED], 2014, Exhibit 1, pp. 6-7 and BAM 720, pp. 18-19. As stated in the analysis above, the Department established that Respondent committed an IPV involving her FAP benefits. Thus, it is found that Respondent received an OI of program benefits in the amount of \$662.52 from the FAP program. See BAM 720, p. 8. It should be noted that the Department appeared to exclude smaller transactions from the total OI amount.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department  has  has not established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent  did  did not receive an OI of program benefits in the amount of \$662.52 from the following program(s)  FIP  FAP  SDA  CDC  MA.

The Department is ORDERED to

initiate recoupment procedures for the amount of \$662.52 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from  
 FIP  FAP  SDA  CDC for a period of  
 12 months.  24 months.  lifetime.
