ISSUE

Did the Department of Health and Human Services (Department) properly close Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing Medical Assistance (MA) recipient as a group of one.
2. The Department received a Verification of Employment (DHS-80) showing that Petitioner had received earned income from employment totaling \$9,854.69 from January 1, 2017, through July 31, 2017. Exhibit A, pp 4-7.
3. The Petitioner receives monthly earned income in the gross monthly amount of \$2,194.09 in July of 2017. Exhibit A, pp 4-7.
4. On September 22, 2017, the Department notified Petitioner that she was not eligible for Medical Assistance (MA) effective November 1, 2017. Exhibit A, pp 10-12.
5. On October 4, 2017, the Department received Petitioner's request for a hearing protesting the closure of her Medical Assistance (MA) benefits. Exhibit A, pp 2-3.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The income limit to participate in the Healthy Michigan Plan (HMP) is 133% of the federal poverty level. Department of Health and Human Services Reference Table Manual (RFT) 246 (April 1, 2014), p 1.

MAGI for purposes of Medicaid eligibility is a methodology which state agencies and the federally facilitated marketplace (FFM) must use to determine financial eligibility. It is based on Internal Revenue Service (IRS) rules and relies on federal tax information to determine adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. Department of Health and Human Services Bridges Eligibility Manual (BEM) 500 (January 1, 2016), pp 3-4.

Modified adjusted gross income (MAGI) is a methodology for how income is counted and how household composition and family size are determined. It is based on federal tax rules for determining adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. The 5% disregard is the amount equal to 5% of the Federal Poverty Level for the applicable family size. It is not a flat 5% disregard from the income. The 5% disregard shall be applied to the highest income threshold. The 5% disregard shall be applied only if required to make someone eligible for Medicaid.¹

Household income is the sum of the MAGI-based income of every individual included in the individual's household, minus an amount equivalent to 5 percentage points of the Federal poverty level for the applicable family size. 42 CFR 435.603.

¹ Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual, pp 14-15. This manual is available on the internet at http://www.michigan.gov/documents/mdch/MAGI_Manual_457706_7.pdf

Petitioner was an ongoing MA recipient as a group of one receiving benefits under the HMP category when the Department initiated a routine review of her eligibility for ongoing benefits. The Department received verification of the earned income Petitioner received from January through July of 2017. During those seven months, Petitioner received earned income totaling \$9,854.69, which is the equivalent of a gross monthly income of \$1,407.81. Petitioner gross monthly income for July of 2017 was \$2,194.09.

The 2017 federal poverty level for a group of one is \$1,005 per month. Based on the evidence and testimony available during the hearing, Petitioner's gross earned income exceeds 133% of the federal poverty level and reducing her income by the 5% disregard does not make her eligible for benefits.

Petitioner testified that her income had decreased, which may affect her eligibility for benefits in the future but is not relevant to whether the Department's closure of her benefits on September 22, 2017, was a correct application of policy.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Medical Assistance (MA) benefits effective November 1, 2017.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
